Banquet Reservations AC-18
Being Taken By Corps

Reservations are being taken for the dedication banquet of the Allendale Ambulance Corps, which will be held on October 19 at Jerry's Villa Montvale, in Montvale. Corps secretary F. A. Farrell has urged that all those interested in attending make their reservations as soon as possible, because the Villa dining room accommodates just 125 person comfortably, and that is the number of guests who will be admitted.

Members of the Corps and their wives will be present in full force, and interested residents of Allendale and neighboring towns will be welcome.
