Mrs. P. Alward, of the Franklin Turnpike turned over to Chief Kenneth Booth a red setter which she had imprisoned in her garage. The beautiful dog turned out to be a "very valuable" one owned by E. ## Food Fund for Strays

Chief Booth received a letter, accompanied by a check made out to the amount of ten dollars this week from the Protective League for Animals, Inc. The letter said the money was to go for the "up-keep and feeding of stray dogs and animals in the borough" and was signed by Mrs. Currens, president.
