Subject: Thank you!

Dear Joanne,

Last Friday I received a beautiful plaque from the Mayor & Council of the Borough of Allendale designating me Allendale's Historian Emeritus. I also received, from Marilyn Tackaberry, two loose-leaf binders full of wonderful letters of tribute and praise for my work in local history and genealogy throughout the years. Included in this collection was your letter. I just wanted to write a note to let you know how very touched and honored I am that you took the time and effort to add your thoughts to what Marilyn assembled.

I am very grateful and thank you so very much for your kind words. I will treasure this collection the rest of my life. Marilyn also sent me a photo of her with you and your daughter and Mayor Barra, with the plaque.

I am also excited to note that my book has now been republished. I thank you for all your hard work to make this happen.

Warmly,

Pat
