REV. WILLIAM A. KNOX, B. D.

At the close of the last annual conference, April 6th, Rev. W. A. Knox was appointed to Allendale. He spent the following Sunday on the charge, and was most delightfully entertained by Brothers John and William Mallinson. His first impression of the borough and Methodism in Allendale were very favorable. How could one fail to be favorably impressed with this delightful residential borough, and especially of the fine church property of which the loving gifts of our late Brother Archer and his family have made the Methodists the proud possessors.

The pastor's family arrived on the charge April 17th, and again the homes of Brothers Mallinson were kindly opened to receive them. The next day they took possession of the comfortable parsonage that the Ladies' Aid Society had been re-arranging for their comfort. Two weeks later this society gave them a very warm reception in Archer Hall. Nearly all the members and friends of the church were present. A pleasing musical program was rendered, and addresses of welcome made by James Hubbard, Superintendent of the Sunday school, and Rev. Mr. Jackson, Rector of Epiphany Episcopal church. After the pastor had responded delicious refreshments were served. At a late hour all departed, having made their pastor and his family feel very much at home among them.
