Blood Transfusions Tues.

Two blood transfusions were given by members of the Allendale Ambulance Corps Tuesday for Mrs. George Jordan of Woodland avenue, Allendale, before and after a serious operation performed in the afternoon at the Hackensack Hospital. Mrs. Jordan, a patient at the hospital a short while ago, was returned in the Allendale ambulance Sunday by Capt. Paul D. O'Connor, President Carl Wehner and F. A. Farrell. When a call came for a transfusion, eight members responded. Blood was given by William Strangefeld and John L. Winters. Others who went for typing were O'Connor, Wehner, James Kievit, August Sohne, Geo. Price and Farrell. A new ambulance was demonstrated at the Monday night meeting of the corps. On Sunday, Herbert Pohlman, umpire, was removed to his home in Paterson in the ambulance after receiving an injury at the Recreation Park. Kenneth Booth and O'Connor were in charge.
