ALLENDALE AMBULANCE CORPS

Volunteer Corps to Render First Aid For The Relief of Suffering Humanity at All Times
Member New Jersey First Aid Council

A Message from the President.

Greetings to all Allendale
and its Neighboring Communities:—

I am happy to be able to extend to you
the best wishes of this organization.

Although celebrating only our first
birthday, we have made rapid strides in the
first year in efficiency and training and are
proud to have provided a service that is
available to you on a moment's notice.

We are now thoroughly organized with
two men always on duty both day and night
to instantly answer appeals for the ambu-
lance. Our Captain, who, we are fortunate,
is a resident of Allendale, and an Official
Red Cross instructor in First Aid.

We are not alone in our endeavors.. We
have the official sponsorship of the Mayor
and Council in each of the neighboring
communities. In addition, we are affiliated
with the New Jersey First Aid Council and
have the benefits not only of its advice and
experience but in the case of a major dis-
aster will be able to call on its member
units for assistance, many of whom are
within short riding distance in towns of our
own Bergen County and neighboring Passaic
County.

We are counting on your cooperation to
help us in our sincere endeavor to do a big
service for you.

CARL WEHNER, Pres.

Capt. of Corps

PAUL D. O'CONNOR

Greetings to the People of Allendale
and Surrounding Communities:—

The Ambulance Corps is just ending
the first year of its existence. As a new
organization I feel that we have accom-
plished much. During the first year we have
trained twenty men in the Standard and the
Advanced Courses of First Aid of the
American Red Cross. These men sacrifice
one night a week in organized drills and
another night each week in order to be of
service to the surrounding communities in
case of any emergency. All service is
voluntary.

I wish to publically acknowledge my
appreciation for the cooperation of the town
officials, the members of the Corps, and the
surrounding communities for their assist-
ance during the past year.

With your indulgence and continued co-
operation in the future we hope to build up
an organization whose reputation for First
Aid and Ambulance work will transcend the
local bounds.

Very cordially,
Paul D. O'Connor
Capt. of Corps.
