## Legion Post Wants Two-Story Building To House Ambulance

At the recent meeting of the Allendale Post 204, American Legion, a resolution was passed to submit to the Allendale Ambulance corps, a proposal that the erection of the one-story building to be erected on Brookside avenue, for the headquarters and housing of the new ambulance be changed to a two-story building.

A committee was appointed to wait on the Ambulance corps, to consider the proposal. The legion will pay its share of the increased cost of the building, for the privilege of having their headquarters on the second floor.

President Carl T. Wehner, and the following committee George Christopher, Harold Kiermaier, Charles Bijou, Augustus Sohne and John L. Winters from the Ambulance corps, was appointed to interview the legion.

Bids are being obtained on the one-story, scheduled to be erected on borough property adjoining the public school on Brookside avenue.

President Wehner, stated that he felt the proposition was very worthy of consideration and pointed out that the community service of the two organizations, in many respects is the same.
