## Corps Carnival To Open This Monday Evening

Gala Week-Long Event at Recreation Park Will  
Feature New Attractions---Rides for Kiddies

Elaborate plans are being made for the fifth annual carnival of the Allendale Ambulance Corps which opens next Monday night at Recreation Park and will continue nightly for the remainder of the week.

Members of the Corps will be on hand to run the many booths which will be open during the affair and some of them will be assisted by their wives in running the concessions. A feature of this year's affair will be a wide variety of booths, including a special one for the U. S. O. and another for the sale of War Bonds and Stamps.

### Start Early

As in previous years there will be several "rides" including the popular merry-go-round, ferris wheel and special "kiddie rides." The Carnival will start every night at seven. The reason for the early evening opening is so that the children of the Borough will be able to take advantage of the various amusements.

A big game tent is being set up and the Corps has gone to the expense of purchasing many fine prizes for game winners.

### Fund Raiser

This being the principal fund-raising event of the Corps for the year, it is expected that in addition to Allendale residents, there will be many present from the town served by the Corps.

Kenneth Booth is chairman for this year's carnival and is being assisted by co-chairman Nelson White and a hard-working staff, including J. George Christopher, Paul D. O'Connor, Charles Bijou, Walter Rumsey and Thomas Brady.
