CUB SCOUTS RACING DERBY THIS SAT. P.M.

Cub Pack 59 of Allendale will hold its tenth annual Soapbox Derby Saturday (tomorrow), November 24, at the West Maple St. Speedway. The first of the elimination heats will be away at 2 p.m. and racing aficionados are promised two hours of chills, thrills and spills. A field of veteran drivers well spiced with daredevil novices should be driving to new records.

In addition to the regular speed trials for Class "A" and Class "B" racers, there will be a special feature event which places the emphasis on driving skill rather than speed alone.

The Speed Carnival will be formally opened by Mayor Johnson. Head Starter and Course Judge will be Chief Marshal Wilson. Starters will be Messrs. Cavanagh, Critchley and Indoe, and Finish Judges will be Messrs. Voght, Cebak and Hanson. The affair is under the Co-chairmanship of Messrs. Frost and McCord.

Public Safety Commissioner Henry Cobb has announced that while he favors the Derby in developing the driving skills of the coming generation any gambling or bookmaking on the races will be prosecuted to the full extent of the law.

COIN BOX STOLEN FROM POST OFFICE

Vandalism in United States Post Office is a federal offense. It is subject to FBI action, Postmaster Archie Farrell announced. He was deploring the theft of a box recently placed in the Post Office by the American Legion Post 204, to collect contributions for Christmas Gifts for the local boys in service. Recently, a Red Cross donation box was also stolen.

Farrell thinks the thefts are being committed by some thoughtless youngster, but even so, the P.M. says the culprit will be prosecuted "right up to the hilt", if apprehended. Parents are asked to cooperate by warning the children that such containers in stores must not be tampered with, under any circumstances.

BUSINESS MEN TO MEET TUESDAY NIGHT

A special meeting of the Chamber of Commerce will be held Tuesday night Nov. 27 at 8 p.m. at the firehouse.

President Farrell called this meeting to complete plans for Christmas decorations in the business district. A program of awarding window display awards will be made this year by the chamber.

Mr. and Mrs. Ralph Perry of New York were the guests of Mr. and Mrs. B. Perry Hamilton last weekend.

LIONS CLUB PROJECT

All the trim of the local Library has been painted by the local Lions Club under the chairmanship of Martin Husing. The service organization supplied the materials and labor at their own expense.

"Unite for Freedom" School Assembly Theme

Students of St. Luke's High School were hosts to Ridge-wood and Ramsey High School students at a 'Unite for Freedom' assembly program last Friday in connection with National Education week.

The forum opened with prayer, followed by the salute to the flag and the singing of the National Anthem. Stephen Hamer, president of the senior class, welcomed the visitors and outlined the aims of the assembly. He then introduced Daniel Dwyer, a senior, who stressed the benefits derived from living in the U. S. Calling his talk, 'Education, American Style,' he reminded the audience of the need of further and whole hearted support of the ideals of American democracy.

In outlining the contribution of the Catholic high school to American education, Valerie Lowing spoke of the courses at St. Luke's as an example of what the Catholic high school has to offer scholastically. She also cited the various graduates of St. Luke's who have entered into professions of a technical nature and become successful in their careers.

Maryon Farley analyzed the need for education of character as well as of intellect and stressed the means adopted by the average Catholic high school to strengthen and guide the student into habits of civic and Christian usefulness.

Mary Martha Korte, the last speaker of the afternoon, elaborated on the central theme of the program — "Unite for Freedom." This she considered as the ultimate goal of Catholic and Public schools in a democratic society. Mary Martha spoke at length of the comparative lack of freedom in the Communist dominated countries and reiterated that every student should know and love the history of our country and particularly its Constitu-

tion to appreciate fully the true ideals of our founding fathers.

The program commemorating National Education Week was interspersed with various selections from the talent of St. Luke's High School. Three seniors, Anthony Dioro, Joseph Priestner and Edward Ringer harmonized several local color melodies to the accompaniment of the guitar played by John Fersch, also a senior. Claire Ryan, a junior, donned a costume of Uncle Sam in this guise tap danced to the tune of "It's a Grand Old Flag". Her accompanist at the piano was Mary Aldous also a junior. Over 100 Attend Fall Garden Exhibit Here

About 100 visitors attended the Fall Flower Show of the Allendale Garden Club last week end.

The judges were Mrs. J. A. Biggs, Mrs. E. V. Romaine and Mrs. C. R. Curtis.

First prizes were awarded to Mrs. H. E. Ahren, Mrs. Arden Bradley, Mrs. P. S. Doty, Mrs.

MORE BLOOD DONORS NEEDED FOR BANK

More donors are needed to give a pint of blood when the Mobile Blood Bank comes to Ramsey Wednesday. Registration blanks may be obtained at this office or from Mrs. William B. Quaintance of Allendale or Mrs. Guy Drumm, executive secretary of the Ramapo Chapter, American Red Cross, Ramsey.

Volunteer workers are still needed to do clerical work and canteen workers are still required to serve coffee to those who will give a pint of blood. You may choose your period of service from 1 to 7 p.m. If there are enough volunteers, the load will be light for everybody.

PATIENTS DINE WELL AT VALLEY HOSPITAL

People whose relatives or friends were patients at The Valley Hospital on Thanksgiving need have no fear that the day went unobserved at the hospital. The holiday dinner for both patients and personnel was comparable to the best to be found everywhere.

The menu, served to everyone who is well enough to eat, was fresh fruit cup with orange sherbet; roast turkey with dressing and cranberry sauce; celery hearts and olives mashed sweet potatoes or pine apple rings; buttered green peas, creamed onions, pumpkin pie, nuts, mints, coffee.

And all this set off with decorative tray covers, holiday napkins and little Thanksgiving favors for everyone.

LEGION AUX. MAKE RED CROSS DONATION

The American Legion Auxiliary met Tuesday night at the War Memorial Building with Mrs. Rose Z. Burnett presiding. A donation was voted to the Red Cross.

The winners in the drawing on the Merchandise Club were Mrs. Burnett and Mrs. J. Welner.

Plans were made for the Christmas Party which will be held December 18 in the War Memorial Building. A supper will follow the short business meeting and members will exchange gifts. Hostess for the party will be Mrs. Dreyer, Mrs. Hegerman and Mrs. Danowski.

Members attending the meeting included: Mrs. Burnett, Mrs. A. Gamble, Mrs. C. Welner, Mrs. H. Bogardus, Mrs. J. Kaplan, Mrs. F. Hegerman, Mrs. A. Danowski, Mrs. William Winter, Mrs. P. Dreyer, Mrs. J. Fox, Mrs. H. Davis.

Mrs. Fox and Mrs. Winter were hostesses for the social hour.

Michel Pasquier, Mrs. Roy Quackenbush, Mrs. William Quaintance, Mrs. Robert Robbins, Mrs. S. E. Staines, Miss Marie Quackenbush, Miss Ana Staines, Miss Paula Standing, Frank McCord, Roy Quackenbush and S. E. Staines.

Second prizes went to Mrs. H. E. Ahern, Mrs. E. R. de-Beixedon, Mrs. Arden Bradley, Mrs. Talbot Dunn, Mrs. Hans Loen, Mrs. William Quaintance, Mrs. S. E. Staines, Mrs. J. M. Standing, Mr. H. E. Ahern.

The following children were awarded first prizes: Bertha Bajor, Helene Pasquier, Nadine Rumsey and Mary L. Thomas.

A special award was given M. E. Husing for an entry representing the Girl Scouts.

John W. Doty received a special award for an Early American Group on the stage of the auditorium.

DICK DAVIS EARNS ACADEMY PROMOTION

Cadet Richard R. Davis, son of Mr. and Mrs. Harvie Davis, formerly of Allendale, has received his appointment as a cadet corporal at West Point. Davis, a junior, has received this promotion because of his high rating in military efficiency and aptitude for the service.

He will have nine cadets in his squad and he will be responsible for their discipline and training. This is in line with West Point's policy of giving the cadets practical leadership experience before commissioning them as regular officers in the Army or Air Force.

Davis is a graduate of Ramsey High School and at West Point is a member of the Dialectic Society and the Howitzer Staff. Upon graduation, Davis hopes to be commissioned in the Air Force.

DO YOUR EARLY CHRISTMAS SHOPPING AT CHURCH FAIR

Do your Xmas shopping early! The W.S.C.S. Christmas Fair at Archer Hall on November 29 will open at three o'clock.

You will find a table of aprons and one of gift selections, as well as a food table. Also packages to satisfy that yen for mystery. Every child will be delighted with the "Children's Corner" and the "Trash and Treasure" will merit its name. Your photo will make a nice gift so pose for one at the fair.

A ham super, with Mrs. Gilbert Hover and her committee in charge will be served from 6 to 8.

Woman's Club Took Active Role In Getting Vote Out

The Womans Club of Allendale held their regular meeting at Epiphany Parish House last Friday at two o'clock.

The Civic Department are proud of the role they played in the last election. Eight members called their quota of club members on the phone the day before election, asking them to go out to the polls. So far the report stands, 99 per cent voted — but there is still high hopes to make it 100 per cent.

Mrs. Grace Hill and Mrs. J. H. Bowman were introduced as new members and presented with a corsage.

The American Home Department have planned a delightful Christmas program for the regular meeting in December. Mrs. Walter K. Gillett will give "Candle Light around the World". Members may bring guests.

The club voted to change their time of meeting to one o'clock, each member to bring a box lunch and the club will serve dessert and beverage. This is to promote time for a social hour.

The Literature Department will change their regular meeting date to November 30. This will be at Mrs. Robert Kindred's home on Cottage Place. A discussion on German background will be held, and the latest book by Mr. Gilbreth will be reviewed. The department is going to a theatre party on November 28. Part of the group will see "The King and I" and the other "South Pacific."

The Drama Department all participated in putting on a one act play entitled "A Japanese Garden."

Mr. Samuel Steinman, press representative of the Paper Mill Play House, gave a talk on plays from the time the original script is purchased, through royalties, re-writes, musical score, casting, costuming, stage setting, production and so on — and also cited many of the unusual difficulties that arise.

57 NEW MEMBERS FOR SPORT CLUB

Fifty seven new members were greeted last week at the regular monthly meeting of the Allendale Rod and Gun Club at the Legion Hall here.

One hundred and 41 members turned out and heard president John B. Schockert deliver an interesting resume of bird stocking in Northern New Jersey. President Schockert revealed that 250 cockbirds had been released in Bergen County and that his group plans to release many more within the next two weeks.

The Allendale president also said that members were enjoying excellent hunting on the club grounds in Oak Ridge and Milton in Morris County.

Motion pictures, showing club members catching fish in Moospack Lake, were unrolled as well as other shots showing the stocking squad and others building dams in various waterways. In addition to these home movies, sound films of American wildlife were also shown. Bob Anderson, chairman of the movie committee, received a fine ovation for his efforts in the entertainment field. It looked like Ladies Night at the drawing held by the club. Mrs. Blien of Waldwick, Mrs. George Sterner of Allendale being among the winners.

through royalties, re-writes, musical score, casting, costuming, stage setting, production and so on — and also cited many of the unusual difficulties that arise.

Delicious refreshments were served.

All departments are uniting for their December meeting as guests of Mrs. Hans Loen on Brookside Avenue at a Christmas party on December 14th.

We Heard

The North Jersey Horse and Pony League held their breakfast ride on Saturday. Though the trails were wet, the ride was enjoyed by all. Breakfast was partaken of at the Frost residence in Allendale. Pancakes and hot chocolate were served and the young horsemen put them away eagerly.

The insurance men of Allendale met Tuesday at the school with Commissioners Kanning and Strangfeld on insurance of the school.

The Guardian Angel Guild will hold its annual Christmas party December 21 at the home of Mrs. Mary Job, West Allendale Avenue. Members will enjoy an after-

noon of games and singing and Santa Claus will make his usual visit to distribute his gifts from the grab bag.

The party will be preceded by a short business meeting.

Nineteen men have been taking first aid instruction from Archie Farrell in Waldwick. Lieut. Cauwenberg and Jack Tackenberg, James Colburn demonstrated the ambulance to the group on Wednesday night.

James Albro, of Hillside Avenue, Allendale was fined \$15. and \$3 costs in Waldwick Magistrate's court for speeding on Crescent Avenue, Waldwick. Magistrate Henry A. Spies was the presiding judge.

Actually, the need is for 2-300,000 pints of blood between now and July. That goal can only be reached if we donate 200,000 pints a month. But, we're falling far short.

When a wounded man needs whole blood in Korea, they cant put it off.

There's no "back order" for blood. It isn't too much for any of us to give a pint of our blood, when others give all of theirs.

Feeding Patients In Hackensack Hospital Presents Many Problems

Managing to supply an average of 293 patients and a staff of about 450 at Hackensack Hospital with appetizing, healthful meals at current prices is quite a job according to Miss Charlotte Simpson, dietitian, who is responsible for planning about 1700 meals a day, and Sidney Wiltshire, purchasing agent, who buys the food for their preparation.

Any housewife who is trying to make 1950's budget meet 1951 prices for a family of four will understand this very readily.

Citing typical food requirements in serving a single meal, Miss Simpson said that it requires 560 pounds of chicken, 170 pounds of beef, 280 pounds of lamb, or 270 pounds of ham and 150 pounds of potatoes for dinner on a hospital menu. The hospital is 350 quarts; and 35 dozen eggs and 125 loaves of bread are used each day.

On Friday, November 30 the season closes on black and Oswego bass, striped bass, pickerel, pickerel, and pike, although other species may be taken at all times of the year in open waters.

Officials of the New Jersey Department of Conservation and Economic Development point out that there are more than 1,400 miles of rivers and streams, hundreds of lakes and ponds and over 120 miles of Atlantic shoreline available to fishing enthusiasts. Ample fishing facilities, including row boats, charter boats, bait houses, and stores offering a variety of fishing gear are located at more than 55 major Atlantic shore resorts.

Mr. Wiltshire has a great deal to add to this statement. Explaining that Hackensack Hospital comes under the National Production Authority, because it is a health institution with a defense priority rating, he said that hospital purchases in most categories had to be regulated in accordance with the NPA's rulings.

"In Layman's English, this means that our maintenance, repair, and operating supplies must be purchased on the same dollar basis in 1951 as we paid during a similar quarter of last year. In other words, we can spend no more this year than we did last year even though prices of the things we need may have risen. This means that we have to buy less of the items required, or else we must use inferior grades at lower prices. Every department of the hospital is economizing in every way possible, and stretching the service of our equipment just as far as possible, but even so, making last year's budget buy this year's supplies, as we are required to do, is quite a problem."

Councilman Harvey in referring to the Crescent Avenue sidewalk project, intimated that the suggestion had been made that four feet be taken from the east side of Crescent Avenue instead of two feet. This would eliminate retaining wall problems, he said.

PTA LIBRARY GROUP TO MEET AT ARCHER

The Library Committee will be in charge of the program Wednesday night when PTA meets at Archer Memorial Hall at 8:15 p.m.

The guest speaker will be Mrs. Norman Bate, librarian of Ridgewood Elementary School and formerly Children's Librarian of the Peace Memorial Library in Ridgewood.

Two films will be shown: "It's Your Library" and "Know Your Library."

Mr. Wiltshire said that food stuffs were considered as operating expenses and therefore came under the limitations imposed by the NPA.

"That is why Donation Day this year, if it is as successful as it has been in previous years, will mean more to us than ever before," he said. "The food contributions of the folk who live in the hospital's service area will make it possible for us to keep within the

One of the few things which all the inventive genius and industrial prowess of America can't fashion is a pint of blood that comes only from people. Or, rather, only from people who are willing and able to give their blood.

Because giving a pint of blood is no real strain on the average individual more of us are able to give. But not too many of us, apparently, are willing to give.

**GOSSIP FROM THE
LOCAL PONY LEAGUE**

On the breakfast ride of the
North Jersey Horse and Pony

very wet, and in one place
there was an extra long pud-
dle which was about seven
inches deep. Nugget decided
that she wasn't going to go
through that puddle, and there
wasn't much Butch could do
about it. Butch was riding at
the end of the line, and none
discovered it until Merrill his
sister looked back and found
Butch rather red in the face,
trying to get the balky pony
through. After some persua-
sion Nugget galloped through
the water, and after some hard
riding they caught up with the
group.

Snowflakes From Soap Flakes!

Just as no holiday season is complete without a Christmas
tree, no tree ever seems properly "dressed" without snow. It's so
quick and easy to do with soap flakes that even the children can
whip up a batch. Here's how—

- (1) Mix one large box of Lux Flakes (12 1/2 oz. size) with
approximately 2 cups of warm water until it's about like
thick whipped cream. Add more water gradually, if
needed. For a big tree—six to eight feet tall, and full—
you may need two boxes of Lux.
- (2) Apply along the branches of your tree while the
"snow" is still moist. After the water in the outer layer
has evaporated, it gives the effect of soft, freshly fallen
flakes and makes the pine needles last throughout the
Christmas season.

Adding a bit of the fluffy "snow"—so glistening and sparkling
—to other Christmas decorations enhances their beauty, too . . .
the wreath in the window, the branch of evergreens at the door,
and even your table centerpiece.

Tinting the "snow" with vegetable coloring is a variation
from the conventional white. Add the coloring slowly, however,
so you'll get just the shade you want. To create a clever designer
touch, start with a light shade at the top of the tree, and gradu-
ally work into a darker shading toward the bottom.
It's fun, too, to mold the Lux into all sorts of interesting
Christmasy shapes such as stars, Santas, and snow men. Some
of these forms and curlicues for tree and table place cards may
be made by using a pastry tube. There is an endless variety
of possibilities for the creative older child.

In addition to its intrinsic beauty on Christmas evergreens,
the "snow" reduces the fire hazard resulting from dried
pine needles.
One note is that there'll be no artificial snow-
n you take down your tree. We all remember
rushing pine needles, snow and broken orna-
ment for weeks after Christmas. (ANS)

Troop 49
Last Sunday our Senior
troop hiked from Tuxedo to
Claudia Smith's Cave. We
were accompanied by our lead-
er, Mrs. Husing and Boy
Scout Master Bullman with
some of his boy scouts. When
we reached the cave we held
our religious service with Pan-
la Standing leading us in the
prayer and responsive reading.
It was a cold, windy day but
after eating lunch around the
camp fire we were warm.

Troop 79
Today we played with clay.
We learned how to make a
square knot and bowline knot.
We are beginning to work
on our Tenderfoot require-
ments so we will be ready to
"fly up" and become Girl
Scouts in June.—Scribe Mar-
jorie Thomas.

On Monday evening we met
at the home of Isabel Ivany
and we finished our wicker
basket. Some of the baskets
will be filled with fruits and
will be given to some of our
