\$16,200 INCREASE IN BORO SCHOOL BUDGET

New School Addition Pleases Large Audience

About 150 interested parents and residents attended Back to School night Wednesday, an event sponsored by Allendale PTA. George Wolfson presided and introduced the president of the Board of Education, C. E. Strangfeld who spoke very briefly in greeting those who had come to see the new school in operation.

Other members of the Board were introduced and James Standing paid special tribute to the work done by Strangfeld in connection with the new building. He told of innumerable conferences with architects and the powers that be in Trenton as well as a constant vigilance on the progress of the building so that there was the least possible delay in completing the new school. Judging from the applause the audience agreed with Standing that an outstanding job had been done by Strangfeld.

Paul D. O'Connor school principal, introduced the three special teachers on the staff: Mrs. Smithey, music; Mrs. Wright, home economics and Mr. Gray, industrial arts. Each spoke on the work of his department. Mrs. Smithey said the aim of the music department was to have the children enjoy music and to create a taste for and an appreciation of music. To attain this, she encouraged active participation by every child, regardless of his talent or musical leanings.

Mrs. Wright asked for the cooperation of mothers in allowing the children to practice the principles taught in the home economics department; such as, good grooming, mending, sewing and preparation of simple meals. Such a course is designed to improve family living.

Mr. Gray, as were the other teachers, is delighted with his new class room. This has not been fully equipped, since part of the class project will be to make certain things still required. Already, the boys have made a coat rack and a lumber rack and future schedules call for a project rack and a tool crib.

Parents and friends visited the various classrooms in the school and met the other members of the school faculty.

A social hour followed with refreshments served by the third grade mothers.

The air raid wardens were a little upset Wednesday when they met for the first aid courses that start next week. A misunderstanding boys that will happen to anybody.

FIRST AID COURSE OPEN TO PUBLIC

A course in First Aid will be inaugurated Wednesday night at the Ambulance Building at 8 p.m.

The course will run for ten weeks, consecutively, on Wednesday evenings from 8 to 10. F. Archie Farrell will be the instructor and he is considered to be one of the best in this area.

People who have taken a First Aid Course in the past are urged to take a refresher course as many improvements have been made in caring for the sick and injured.

Those who have never had such a course, are advised to join up. Such training is invaluable in every day living and in case of emergency may prove to be a life saver.

JUNIOR WOMEN MAKE PLANS FOR COMING WKS

The Junior Woman's Club of Allendale held their business meeting January 10 at the home of Mrs. Douglas Sharp of Park Avenue. Mrs. John Phillips was hostess for the evening.

It was decided to begin a new merchandise club, the proceeds of which to benefit the Cancer Fund, Allendale Swimming Pool Association and Allendale Public Library. Mrs. Lewis E. Thurston is chairman of this activity.

A donation was allotted to the Allendale Garden Club as the Juniors' share in aiding them to landscape the Library's grounds.

Mrs. Edward de Jongh is collecting used Christmas cards for the Cerebral Palsy Clinic and asks all members to cooperate by bringing theirs to the next meeting.

Department and Committee chairmen were urged by President Mrs. William Byrne to begin assembling material for their annual reports by April 1.

The Public Welfare Department under the chairmanship of Mrs. Virginia Edwards will conduct the next meeting on Thursday January 24 at the home of Mrs. Edward Heagen. It is expected that Allendale's Doctor Leo Paul Schultz will introduce a specialist in the field of Cancer Research who will speak on that topic.

A parked car in front of Grand Union last Friday night scared the manager who thought it might be a hold up of the days receipts. Instead of calling for the police he waited out the night until the car drove off.

3 CANDIDATES FILE PETITIONS

Farrell Heads March of Dimes

F. Archie Farrell has been appointed to head the March of Dimes which is now getting underway in Allendale.

No one should have to be sold on this worthwhile project, since within the past few years, 20 patients from Allendale have received assistance from the National Foundation for Infantile Paralysis, Inc., which sponsors the March of Dimes.

Of the money collected, half remains in Bergen County and is used to pay for care of local patients, and in emergency, to supplement the national epidemic aid fund at national headquarters. The other half goes to national headquarters for research professional education and emergency assistance to chapters whose own funds have been depleted by epidemic demands.

Collection boxes in the form of an iron lung have been distributed in the classrooms of the local school and children are asked to bring their contributions to school.

Letters to all residents of Allendale have been sent out, telling of the need which is a continuing one, not only for new cases but for the large number of post polio cases requiring rehabilitation service.

The goal for Allendale has been set at \$500 and everyone is urged to play his part in this war on polio.

LEGION AUX. HOLD REGULAR MEETING

The American Legion Auxiliary met Tuesday night at the home of Mrs. William Winter on Maple Street with Mrs. Ernst Arlt acting as co-hostess. A change in meeting place had to be made because of the dense fog which made driving hazardous.

Mrs. Fred Hegerman told of her visit to the Marine Hospital, Staten Island, last week and encouraged others in hospital visitation. The men are always happy to have visitors break the monotony of enforced hospitalization.

Those attending the meeting were Mrs. R. Z. Burnett, Mrs. A. Reyner, Mrs. William Winter, Mrs. H. Bogardus, Mrs. C. Wehner, Mrs. F. Hegerman, Mrs. A. Danowski, Mrs. J. Kaplan, Mrs. J. Fox and Mrs. E. Arlt.

The next meeting will be held February 19 at the home of Mrs. C. Wehner, George St., with Mrs. H. Bogardus, co-hostess.

PUBLIC HEARING JAN. 29

The Allendale Board of Education released for a public hearing their budget for 1952 - 1953 with the hearing on January 29 at 8 o'clock in the school on Brookside Avenue.

The total budget figure this year as published on page five of this paper shows an increase of about \$16,200 over the 1951 -

1952 budget. This represents an increase of about 10.6 per cent. The amount to be raised by local taxation is increased by \$16,600, or an increase of about 12.5 per cent.

A breakdown of the figures shows the increase is largely caused by increases in teachers salaries, tuition to Ramsey High School. Additional teachers and usual operating expenses brought about by the increased size of the school and a greater influx of new pupils. In addition, funds are scheduled for the improvement of the school grounds and repairs to the old building.

The entire budget will be on file at the clerks home, A Grossmann from today until the public hearing.

The voters will have their day on February 13 for voicing their approval or disapproval, at the same time they will fill two vacancies on the school board. Two of the present members Mrs. F. R. Kanning of W. Allendale Avenue and L. R. McPeck of E. Allendale Avenue have filed their petitions to run again.

A third petition has been filed by Perry Conklin of West Allendale Avenue.

PAULSENS CELEBRATE FORTIETH ANNIVERSARY

Mr. and Mrs. Henry Paulsen of 39 New Street, Allendale, were very much surprised to find themselves guests of honor at the home of their son and daughter-in-law, Mr. and Mrs. Wilfred Paulsen, 780 Franklin Turnpike on Sunday.

The occasion was in celebration of the senior Paulsen's 40th wedding anniversary which occurred January 10.

Among the guests present were the couples' bridal attendants, Mrs. Katherine Bauerly of Jersey City and Harry See of Irvington, N. J. Other guests included: Mr. and Mrs. Philip Trickle, Oerfield, Pa., Mr. and Mrs. Charles Donahue, Jersey City, Mrs. Harry See, Irvington, Mr. and Mrs. Bert Savage, Mr. and Mrs. John Winters, Mrs. Emma White, Garry Quackenbush, Mr. and Mrs. Wilfred Paulsen, the host and hostess, and the honored couple's grandsons, Fred and Gary Paulsen.

A delicious buffet supper was served during the evening. Many flowers and gifts were awaiting Mr. and Mrs. Paulsen when they arrived at their son's home. Best wishes are extended from their neighbors and friends on this happy occasion.

Look for 14 new permits for houses to be erected on the new Pittis Road.

PARENTS ON DUTY
DISCOVERS THEFT

The garage of Harold Christopher on Crescent Avenue was broken into Wednesday night. According to Christopher only a few cans of oil were taken. A more serious loss could have occurred but for the alertness of Officer Frank Parenti who discovered the door open on his check-up. Cans of oil were stacked by the door evidently by the thieves who were scared off by Parenti.

Christopher was called but nothing was found missing except the oil. Valuable tools and new tires were among other items in stock.

Merchants are warned to check their doors after locking up as the thieves evidently gained entrance through a poorly locked door.

CHAMBER TO MEET TO DISCUSS PROGRAM

The Chamber of Commerce of Allendale will hold their first meeting of the year on Tuesday evening at the firehouse.

President Farrell hopes the members will turn out for this meeting as committees will be appointed. He further stated the meeting will start promptly at 8:30.

Plans for a program during the coming year will be announced by the president with emphasis on shopping conveniences for residents and out of town folks.

LOCAL MAN IN RIDGWOOD MISHAP

A 1951 coupe, owned and operated by Otto Cishek, 26 of Forest Road, Allendale, was badly damaged late Saturday when it overturned and later righted itself on Route 17, at East Saddle River Road, Ridgewood.

Cishek told Patrolman Naglehout, who investigated, that he was proceeding at about 45 miles per hour, when his auto went into a spin. Damage to the vehicle, towed from the scene, was estimated at \$1,000.

AMBULANCE SERVICE DURING PAST WEEK
 Only four calls were made on the Allendale Ambulance during the past week according to Captain John Conley.
 January 10—Mrs. Plumhoff of Allendale was taken to Hackensack Hospital, attendants J. Phillip and J. Conley.
 January 12—Mr. Ben Mead, 124 Wyckoff Ave., Waldwick was returned home from Suffer Hospital. Attendants J. Conley, J. Occhipinti and T. Hopper.
 January 15—Mr. Henry Freudenstein, Lake Street, Upper Saddle River was taken to Valley Hospital. Attendants Pete Cauwenberg, T. Hopper, J. Conley.
 January 15—Mrs. Minarsh, 12 Cleveland Ave., Waldwick, was taken to Valley Hospital. Attendants Pete Cauwenberg, J. Phillips, B. Anderson.

Torn length, when applied to sheet, means that the sheet has been made on the grain of the material, a factor which adds to good wear.

Local Girl Scouts Enjoy Week-end Camping Trip

Last Saturday morning at 8:30 Senior Girl Scout Troop 49 left for a day at Camp Te Ata. As they drove into the camp area the girls were thrilled by the sight of six does grazing on the snowy slopes. With baggage unloaded from the truck the girls climbed to Hill Top Lodge, their headquarters for the day. A fire was started in the fireplace and buns and hot chocolate were served. Job details for the day were assigned and then the scouts divided into groups for their activities. The girls went skiing, sleigh riding, ice skating and hiking.

For the noon meal the girls brought their own sandwiches and soup, hot chocolate, cookies and apples rounded out the meal. Miss Dora Goodbody, Executive Director of the Paterson Area, was at Camp for a few hours and had lunch with the girls.
 At night the menu included baked beans and frankfurters, tossed salad, doughnuts and hot chocolate.
 At seven in the evening the girls left the Lodge and hiked to the main road to the cars. Special thanks are extended

EVENING GROUP HEAR CANCER SOCIETY EXPERT
 Miss Helen S. Armstrong executive director of the Bergen County Chapter of the American Cancer Society, spoke before the Evening Woman's Club last week on the early detection and care of cancer. The program was in charge of the Welfare department whose chairman, Mrs. Norman G. Critchley introduced the speaker.

Miss Armstrong said that Bergen was the first County to set up a plan for the home care of terminal cancer. It was decided to make it a pilot unit and, if it could be economically administered, to put it in other counties in other states. Of the 21 counties in New Jersey, 12 have now followed the procedure in Bergen.
 This service consists of cancer dressings, hospital beds, medication, transportation, nursing in the home or transfer to a nursing home, practically at whatever the family is able to pay or in those cases, where the family funds have already been exhausted the Society pays for everything.
 As a result of this talk, the club has decided to sponsor a cancer drive for the first time. It will be held in April, with Mrs. C. B. Hutchinson and Mrs. N. Critchley acting as co-chairmen and the members of the club forming the door-to-door canvass committee.
 Mrs. Robert Andrews and Mrs. George Martin were accepted as new members. Mrs. S. Hadel, was welcomed as a guest.
 Refreshments were served by the committee. Mrs. H. C. Cobb, chairman, Mrs. R. Cross, Mrs. R. H. Brinker, Mrs. H. Bogart and Mrs. D. Tatolian.

Chief Wilson took quite a razzing after that letter from an unhappy taxpayer appeared here last week but he can take it!
 Paul O'Connor expects to go to the boat show tonight with his son.
 The PTA refreshments at the school Wednesday night were really delicious.

NOW WE HAVE ADEQUATE PROTECTION
 The Borough Council of Allendale made another forward step at the Council meeting last week when it appointed a second full time marshal in the person of Frank Parenti who has had considerable experience as a part time marshal. As the Borough grows, the need for adequate protection and supervision increases also, just as, in a short time, other municipal services will have to be expanded.
 Until this most recent appointment, the full responsibility for policing the town rested with the chief marshal who was on call twenty-four hours a day. For four periods during the day, he is on duty at the school, looking towards the safety and protection of our children as they go back and forth to school. We don't care how good an officer may be, and we think we have a good one in Allendale, there is a limit to what one man can do.
 With the new set up Chief Marshal Wilson, and Parenti will each have a nine hour day, six days a week. The shifts will run from 8 a.m. to 5 p.m. and 5 p.m. to 2 a.m. and by prearrangement, each will be assigned his periods of duty, including the hours between 2 a.m. and 5 a.m. In this way, each marshal will have some time that he can call his own, barring an emergency and this should make for greater efficiency all the way around.
 A rough estimate of the cost of this additional protection for the people of Allendale would indicate an increase of about 12 cents per \$100 in the tax rate. Surely that is a small price to pay for increased protection, greater safety and the higher rate of efficiency we may expect from our Police Department. We are all for it!

Our Mailbox
 Allendale Press, Gentlemen,
 Last week you published a letter from an Unhappy Taxpayer who was worrying about a few cents worth of gasoline our Police Department may or may not have been wasting.
 May I suggest he check on money spent by our Planning Board for outside agencies to tell us taxpayers what we may and may not do with our property.
 He will probably burst out crying.
 Yours truly,
 Charles W. Scott
 Certainly I would like to see this printed.

Editor Allendale Press,
 Dear Sir,
 You certainly displayed extremely poor taste in heckling the Holiday Observers because they did not remove the Christmas decorations from the business section soon enough to suit you.
 No one will deny that their efforts beautified our town for a short space of time but whose aesthetic sense can avoid being offended in beholding that unsightly Christmas tree rack you erected on Myrtle Avenue the eighth of December and which you have not yet dismantled.
 Very truly yours,
 Dorothy B. Scholz (Mrs. Raymond M. Scholz) 24 Myrtle Ave., Allendale.

HELP WANTED AT THE ARCHER CHURCH
 The renovation and enlargement of Archer Hall continues and will be ready for use in a few months. At present a new ceiling is being placed in the main auditorium. The Building Committee then will call for volunteer help to paint the walls of the room. It is planned to do the painting on alternative nights, such as Tuesdays, Thursdays, and Saturdays. A group of young girls and ladies will be on hand to serve refreshments to the workers. When the upstairs auditorium is completed the group will be asked to help paint the ceiling and walls of the lower floor. A survey was made of the old basement flooring and serious rotting has set in. If finances allow a new concrete floor will be poured in. Later asphalt tile covering will be added.

When cooking dried beans, keep the heat low. Simmer rather than boil. Or cook the beans in a slow oven.
 Keep shelled pecans in an airtight container in a cool, dry, dark place. This helps the kernels retain freshness and crispness.
 Holiday vacation meant a trip to New York City for three seventh graders. Ray Murray spent a weekend there, Ruth Weimar visited relatives and Phyllis Ahrens went to Radio City and Rockefeller Plaza. For Minetta Foreit, vacation provided a trip to Ohio by way of the Pennsylvania Turnpike. She shared her souvenirs with her classmates. Middletown, New York, welcomed Ronald Gaum on a visit there. We all enjoyed the wonderful two week holiday and are back ready to put into practice those New Year resolutions.

FIREMEN TO NAME MISS FIREFIGHTER 1952
 The 39th annual convention and parade of the New Jersey and New York Volunteer Firemen's Assn. will add many new features. George R. Ruth, chairman of Maywood Fire Dept. host company this year made the announcement after the monthly meeting.
 A feature which promises to create enthusiasm will be a contest to choose "Miss Firefighter of 1952".
 The contest is open to all single young ladies from 17 to 25 years of age, who are residents of New Jersey or Rockland County N. Y. Entry may be made by sending a Photo to Contest Committee, Maywood Fire Dept. Box 888 Maywood, N. J.
 The girls will be judged for their beauty, personality and knowledge of Fire Safety. The winner will be declared. Miss Firefighter of 1952. She will receive a trophy, savings bond and other valuable prizes as well as an opportunity for appearances on television and radio.

School Notes
Second Grade—Mrs. Twichell
 We have been having fun making snowflakes and mittens in our art work. We learned to fold the paper for snow flakes so that they had six points just like real snowflakes. They turned out beautifully and we decorated our room with them. We have also been making snow scenes. Bob Osborn brought in a fine picture of the Flying Enterprise. We all think Captain Carlson is a very brave man. Some of the children of our class went to Ridgewood Saturday to see Hans Brinker and the Silver Skates. It was a play given by the Claire Tree Major players. Janet Lott went to New York City Saturday to see "The Greatest Show on Earth". She thinks we would all enjoy seeing it. Jerry Vanderbeek has a new puppy dog. We are doing very nice work in spelling. We especially want to congratulate John Webb and Jerry Vanderbeek.

Seventh Grade—Mrs. Almonth
 Holiday vacation meant a trip to New York City for three seventh graders. Ray Murray spent a weekend there, Ruth Weimar visited relatives and Phyllis Ahrens went to Radio City and Rockefeller Plaza. For Minetta Foreit, vacation provided a trip to Ohio by way of the Pennsylvania Turnpike. She shared her souvenirs with her classmates. Middletown, New York, welcomed Ronald Gaum on a visit there. We all enjoyed the wonderful two week holiday and are back ready to put into practice those New Year resolutions.

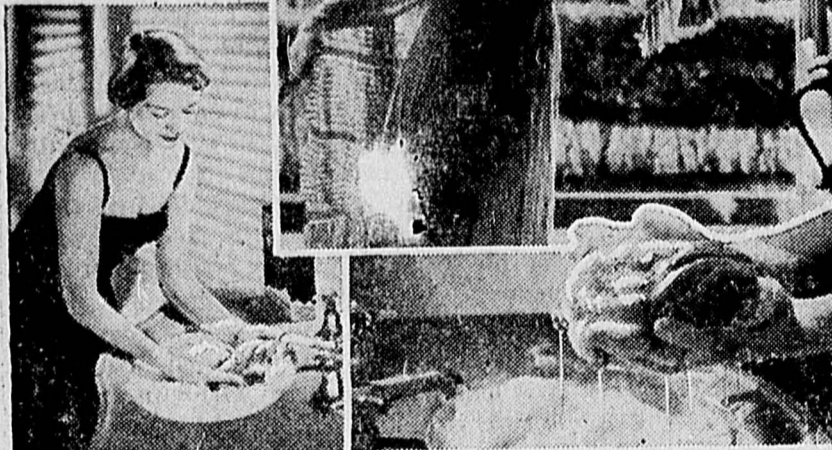

Mr. and Mrs. F. H. Culler of W. Allendale Avenue entertained Saturday evening for Mr. and Mrs. A. Reyner and Mr. and Mrs. Frank Roullet of Allendale. Mr. and Mrs. Arnold Greenway of Wyckoff. The occasion was a surprise party for Mrs. Culler and Mrs. Reyner whose birthdays were Sunday.

Girl Scouts Notes
TROOP 53
 Today we discussed badges which we would like to earn in the future. Mrs. Hughes gave all of us folders which we are to decorate and use to keep all written work for the "My Community" badge of which we have already completed doing some community services.
 The girls liked the game we played last week (Picture Charades) so much they requested to play it again. Patrol number 1 was once more the winner.
 We had expected to choose names for our patrols today but with the excitement of playing Picture Charades, we decided to wait till next meeting.
 For refreshments Mrs. Hughes had made cup cakes and grape juice. Yum-yum! — Reporters: Beverly Vincent and Mary Shuart.

TROOP 149
 Girl Scout Troop 149 met at Miss Staiges home on Hillside Avenue, to commence for the Interior Decorating badge. A proficiency badge. At this, our first session, snappers were selected as the subject of study. We drew pictures of snap dragons which in time we are going to make better.
 Mrs. R. Thomas and Mrs. Illingworth are our leaders — Scribe Paty Webb.
 Senior Girl Scout Troop 49 met last night at the home of their leader for a covered dish supper. Mr. Husing was the guest speaker and his topic was Photography. He demonstrated the workings of a camera and showed the girls some display photographs.
 This Saturday morning the Scouts are having a bake sale at the Griffith's Insurance Agency from 9:00 to 11:00.
 Next Monday there will be no regular meeting but some of the Seniors will attend the Annual District Meeting in Paterson.
 The Seniors are chartering a bus for the February 1st evening performance of the Ice Show at Madison Square Garden.

How to Make—and Care for A WASHABLE HAND-KNIT STOLE

KNIT A STOLE to add glamour to your pretty frocks. Here are easy knitting directions for one that is especially soft and filmy. And Winifred S. Carter of Procter & Gamble's Household Information Service gives you expert advice on ways to wash your stole to keep it soft and new.

Materials: Bernat Morona (1 oz. balls)—8 for main color (MC) Bernat Beada (75 yard tubes)—2 contrasting color (CC). Contrasting color in photo is silver.
Knitting needles: No. 5, and wooden needles No. 13.

Pattern Stitch: Rows 1 and 2: Using No. 5 needles and CC, work in seed stitch. Fasten off CC. Row 3—12: Using No. 5 needles and MC, work in seed stitch. Rows 13 and 14: Repeat Row 1. Row 15: Repeat Row 3. Row 16—35: Using No. 13 needles and MC, knit. Row 36: Using No. 5 needles and MC, knit. Repeat these 36 rows for pattern stitch.

Directions: Using No. 5 needles and CC, cast on 91 stitches. Work in even pattern until 9 patterns have been completed. Then repeat Rows 1 through 14. Using CC and No. 5 needles bind off in seed stitch. **FRINGE:** Cut strands of yarn 9 inches long. Using 4 strands, knot fringe across both ends.

TO WASH: To wash your knitted stole use warm, never hot, water. Test it with your elbow to be sure of its temperature. Make a suds of a mild soap like Ivory Snow, then completely immerse your stole. Squeeze suds through it gently several times, being careful never to lift the stole from the water.

To rinse, cup the entire stole in your hands before you lift it from the sudsy water, place it at the edge of the basin while you fill the basin with clear lukewarm water, then repeat the gentle squeezing action in clear water until the suds disappear. Again cup entire stole in your hands before lifting it from water, and squeeze as much water from it as you can while holding it in this way. Roll it in a towel to remove excess moisture. Never twist. Then transfer to a folded sheet for drying. (ANS)

REAR END COLLISIONS CAUSE MOST ACCIDENTS

More than half of the 70 accidents which occurred on county highways during the month of December were caused by rear end collisions, it was revealed in the report of the County Police Department released today by Dr. Charles B. Bleasby, new chairman of the Board of Freeholders Public Safety Committee.

Thirty persons were injured in the accidents handled by the County police last month.

In addition to 38 rear end collisions, there were 21 cut-offs, 8 skidding, one brake failure, and two accidents which were due to motorists falling asleep at the wheel.

Paramus again was the town where most of the accidents occurred—15, and was also the town in which the most summonses were issued—17. Eleven summonses were issued in Lodi, 10 in Englewood, 8 each in Teaneck and Hasbrouck Heights, 7 in East Rutherford, and 6 each in Englewood Cliffs, Rutherford and Saddle River Borough.

Of the 126 summonses issued by County Police during the month 70 were for speeding, 13 for passing red lights, and 11 for careless driving.

The Radio Division handled and logged 3390 calls, and broadcast 159 alarms. County cars patrolled 53,603 miles during the month.

INDUSTRY HEADING FOR BANNER YEAR

Industrial New Jersey, like every segment of our national economy, reacting directly to increased mobilization of the the nation's resources, looks forward to a good business year in 1952, according to Charles Watts, president, New Jersey State Chamber of Commerce.

Industrial development in New Jersey, given sharp impetus in 1951 by the nation's defense program brought about by the tenseness of the international situation, can expect

greater expansion of its industrial facilities, Watts said. Federal government regulations on necessity will to a large degree dictate the extent of new building. Residential building will continue to decline as will most other types of buildings. In all of these fields except where the defense effort is urgent, material shortages will slow construction.

When buying a mattress pad look for one that is labeled as to possible shrinkage. Even stitching and firm edge binding add to the serviceability of the pad.
