## TAX RATE HITS \$7.48 FOR COMING YEAR RECORD RATE SHOWS 49 PT. INCREASE OVER '51 FIGURE

### School Budget Meets No Opposition at Open Hearing

The Board of Education adopted its 1952-53 budget Tuesday night following a public hearing. If there are any objectors to the current budget they were absent as after explanations everything seemed to satisfy the listeners.

The item of teachers salaries was discussed and R. L. Robbins asked if the board was spending enough to attract good teachers. L. R. McPeck assured him that the pay average in Allendale was \$3,211 as compared to Ridgewood's \$3,900. That Allendale teachers are satisfied is indicated by the fact that many teachers have consistently renewed their contracts. Only three are in their first year of teaching in Allendale.

Another item that was questioned was the \$1,600 for clinic as compared with \$800 this year. It was explained that this covers equipment and additional nurse expense.

Board President Strangfeld pointed out that the \$6,000 for buildings and grounds compared with \$2,000 this year, will allow for building repairs, insulating the attic of the old building to cut fuel expenses, also fill and surfacing grounds.

### SERVICES HELD FOR KOREAN WAR HERO

Funeral services were held at 2 p.m. Wednesday for Private First Class Nathan Day, son of Mr. and Mrs. Jacob Day of 34 Avenue A Mahwah, who died in combat in Korea. The services were conducted at the Van Emburgh Mortuary in Ramsey with Mr. Leonard Miller of Jehovah's Witnesses, Allendale, officiating.

A guard of honor was furnished by the Mahwah Memorial Post of the American Legion, in charge of Lieutenant F. W. Shierloh.

William Drobish presented the flag to the young soldier's mother.

### ROBERT SIMPSON EARNS ENSIGN STRIPES FRIDAY

Ensign Robert D. Simpson, U.S.N.R. was a member of the graduating class of the U. S. Naval School at Newport, R. I. last Friday morning. His parents Mr. and Mrs. Ralph Grossmann attended the exercises. After a ten day leave, he will report for duty aboard the U. S. S. Coral Sea.

Simpson graduated from Ramsey High School in 1946 and attended Fairleigh Dickinson College in Rutherford where he graduated in 1951 with a B. S. degree in engineering for industrial management.

Bob, active in scouting for many years was leader of the local Boy Scout troop when he left for the service.

### BOARD ASKS FOR APPROVAL TO TRANSFER FUNDS

Alwyn Grossmann, District Clerk, drew positions in the ballot for the School election February 13, 1952, in the presence of two of the candidates.

The names will appear in the following order: Esther M. Kanning, Perry P. Conklin and L. R. McPeck.

Other items to be voted upon are the authorization to raise by taxation the sum of \$8,000 for a) landscaping and playgrounds; (b) furniture and equipment; the authorization to transfer from current expenses to land building and equipment the sum of \$1,500 for furniture and equipment; to transfer from current expense to Repairs and Replacements the sum of \$3,000 and the transfer from Current Expense to Manual Training the sum of \$1,000. Voters are reminded that the amount of money which the Board will be authorized to transfer, namely \$5,500, is already cash on hand, and will in no way affect the tax rate.

### Scouts Skills Now on Exhibit

Tonight is the big night for Ramapo Boy Scouts when they hold a rally tonight at 7:30 p.m. in Ramsey High School.

The public is invited to view the parade and scout skills contests. This activity launches for the Boy Scouts of America its First year in a Three-year program under the banner 'Forward . . . on Liberty's Team'.

There will be competitive events in the following skills Morse signaling, compass relay, "chain gang" relay (using ropes and knots), first aid problems, troop flag relay; and for Explorers an obstacle race, a speed knot tying event and an advanced first aid problem.

Chief Judge of the contests is newly elected District Commissioner Gus F. Williams of Ho-Ho-Kus. Among the corps of judges will be Frank Ebersbach of Allendale, Talbot B. Dunn of Allendale, newly elected chairman of the Ramapo District is another rally official.

Free tickets of admission may be obtained at McPeck's store, Ramsey.

### Wilson-Leifert Wedding Performed in Ho-Ho-Kus

Miss Aileen Alice Leifert, daughter of Mr. and Mrs. Albert H. Leifert of 103 Waldwick Avenue, Waldwick, became the bride of Richard Menzie Wilson, son of Mr. and Mrs. John K. Wilson of 5 Knollton Road, Allendale, last Saturday afternoon at five o'clock in St. Bartholomew's Church, Ho-Ho-Kus.

Mrs. Richard M. Wilson

Two Councilmen, Mc Cord and Harvey voted nay on the swimming pool item on the budget introduced last night.

The Rev. Charles J. Child officiated at the double ring ceremony. The church was decorated with palms, roses, snap dragons, gladiolus and carnations. Mrs. Emily Brown, organist, played the wedding music. A reception followed at the Glen Rock A. C. for 300 people.

Given in marriage by her father, the bride was gowned in white Chantilly lace over white satin, fashioned with a high neck, fitted bodice with a ruffle yoke, long sleeves, and a full skirt terminating in a long train. Her illusion finger tip veil was attached to a cap of nylon tulle. She carried a white prayer book and a white orchid.

Mrs. Edgar Nelson of Fair Lawn, sister of the bride, was matron of honor. She was dressed in a shrimp faille taffeta strapless gown with mat-feta. Please Turn to Page 8

Taxpayers in Allendale were notified last night that their tax bill would continue the upward spiral with a anticipated tax rate of \$7.48 per hundred dollars of assessed valuation. This rate is subject to changes in the County or School budgets. The tax rate for 1951 was \$6.99.

This information was revealed when the Mayor and Council met last night and the first reading of the current budget was made by Borough Clerk Charles Vollaro.

The tax rate of \$7.48 is believed to be the highest in the history of the Borough.

A public hearing of the budget will be held on February 28 when objections will be heard.

The school share of the budget took a big slice of the increase expenses of the borough with \$135,924.66 being set up for 1952. State taxes remained the same with \$1,758.00 as a tentative figure. To offset the increase for the taxpayer \$41,000.00 has been appropriated from surplus, \$13,000.00 of this from surplus revenues from 1951. The money will be used as follows: \$14,000.00 for the purchase of a new fire truck. For the improvement of the parking plaza by the Erie R. R. \$6,000.00 and to complete the improvement of the Crescent Avenue project \$8,000.00. These changes were deemed desirable by the council because of a favorable bank balance to keep the tax rate from any abnormal rise.

Increased costs were seen in the appropriations set up in the following departments of the borough: Planning Board, Other Expenses \$1,850.00; Police, Salary and wages \$8,530.00; New Police Car, \$1,350.00; Salaries to borough employees were increased in most instances.

Mayor Johnson and the entire Council along with Clerk Vollaro and Borough Auditor Oswald Sanborn have been working for over two months to pare the budget as much as possible without sacrificing any public service deemed necessary.

The council wisely assumed a pessimistic attitude in revenues from fees and taxes which could result in a surprise plum for the taxpayers at a later date.

Merchants were quick to clean their walks of snow. Chief Wilson had that gleam that showed he meant business.

The Allendale Spas soft ball team will take on the 92nd St. 'Y' team, National Indoor Champions on Monday night.

Manager Nat Left would love to ep this return engagement.

### PRESIDES AT BUDGET MEETING

MAYOR L. R. JOHNSON

### POLIO FUND RAISED BY BENEFIT MOVIES

'And a little child shall lead them'. Not one youngster but several in Allendale showed us what could be done with a little concerted effort for a worthy cause.

Last Saturday afternoon a benefit movie was held by Michael Kunisch, Robert Papon, Peter Cauwenberg, Jr. Bobby Kanning, Arthur Lambert, Robert Bogart and Frank Collyer at Papon's Garage on W. Maple Street. Soda pop, candy and popcorn were sold to swell the funds and the sum of \$18 was turned over to the March of Dimes.

These youngsters are all in the ten years of age group. We think they did a swell job and hope others will show the same initiative. How about it kids?

### 'G.O.O.G.K. M.S.C.' HELP POLIO DRIVE

The Grand Order of the Glorious Knights Mystic Secret Circle, of which John Cebak of 194 Park Avenue, Allendale is president, has donated two months dues and the proceeds from a movie to the March of Dimes. This donation of \$1.00 was most acceptable as it signifies the big heart of our youngsters who are mindful of those who are less fortunate.

The local unit of the Hackensack Hospital Auxiliary will meet February 7 at the home of Mrs. James Secor, Brookside Avenue, Allendale at 10 a.m. to make compresses.

BLOOD DONOR CAN STILL MAKE PLEDGE

There is still room for a few more blood donors when the Blood mobile comes to Waldwick on Monday, February 11 at the Municipal Building from 1 to 7 p.m.

HACKENSACK HOSPITAL EMERGENCY ROOM PRAISED BY N.Y. DOCTOR

The Emergency Room at Hackensack Hospital was complimented for its efficiency by Dr. Robert H. Kennedy, chairman of the Committee of Trauma, American College of Surgeons, after an inspection of its facilities recently.

Dr. Kennedy, who is Director of Surgery at Beekman - Broad Street Hospital, New York City, told Miss Edna Ladd, Emergency Room Supervisor, that her department was well organized, well equipped and well administered.

"It seems to me," he said "that this Emergency Department at Hackensack Hospital is adequately prepared to handle any emergency that you could reasonably expect in a community of this size. I am very much impressed with the organization of your facilities and staff, and your competent guidance of their work. The citizens of your service area are fortunate indeed to have day and night service from a department such as yours. I have only compliments for the work I have observed during my visit here, and for your effective arrangements to continue this work on a twenty-four hour basis."

NEWS OF THE GIRL SCOUTS

Troop 53

We finally decided upon names for our new patrols. Patrol No. 1 has chosen the Pitter Patters; Patrol No. 2 the Rose Buds and Patrol No. 3 the Blue Muffins. Each patrol has their own table and corner in the room where we meet.

At the recent meeting we had a little contest to see which patrol could bring in the most clothing for the Korean Drive. Patrol No. 1 came in first with 20 articles of clothing, Patrol No. 3 was next with 7 articles of clothing and last but not least Patrol No. 2 with 3 articles of clothing. The prize for the game was the satisfaction that we helped someone else.

At about 4:00 we gathered up all our equipment which belongs to our puppet project. (Stage, puppets, backdrop etc) Then we trotted across the street and presented Peter and the Wolf to Mrs. Nelson. We enjoyed it very much and if Mrs. Nelson got as much pleasure out of seeing our show as we did presenting it, we are very happy. At the end of the show we served cup cakes and grape juice.—By Beverly Vincent.

Troop 50

The Girl Scouts of Troop 50 are learning how to tie different kinds of knots. We have learned "the sheepshank knot," "the bowline knot," "the clove hitch knot" so far.

There were 12 fifth grade girls present this Monday. Our leaders Mrs. H. Fox and Mrs. J. Coogan treated us to some candy then we played a game and we were dismissed. — Reporter Peggy Dean.

Brownie Troop 130

This Monday January 21, we welcomed three new girls to our troop. They are Alice and Nancy Peences of Knollton Road and Virginia Kelley of Park Avenue. We are very happy to have them in our troop. This brings our total enrollment to 18 Brownies.

We all agree that we like meeting in the school better than any place else. We are very grateful to the Board of Education for allowing us to meet there. We resolved to take care of our meeting place and to be on our best behavior at all times.

We Brownies have started to make little woolen dolls to wear on our coats. We haven't finished them because we want to take our time and to make them neatly.

Then we played one game, "Blind Bag Tag" after which we were all ready to go home with goodbyes to Mrs. Feher until next Monday's fun.

Troop 149

Our troop with our leaders Mrs. Thomas and Mrs. Illingworth met at Mrs. Staines home on Hillside Avenue and continued working on our tenderfoot requirements.

We are to: 1. Make our bed each morning; 2. Set the table; 3. Dry the dishes, for one week and bring a note from our mother saying we have done so. Then we are to take complete care of a pet for one week.

Before we were dismissed we played "Eraser game," "Simon Says" and had some candy to eat.—Reporter Marjorie Thomas.

Senior Troop 49 did not meet last Monday, but four of the girls, Carol Anderson, Gail Brinker, Isabel Ivany and Carol Lee Mowerson went with their leader, Mrs. Husung to the Annual Girl Scout District meeting in Paterson.

Next Monday the troop will meet at the home of Marilyn Wolfersbergh. The girls are bringing woolens for Korea.

Troop 79

With Mrs. Panek and Mrs.

Waibel our leaders we met at Brookside School this Monday and continued working on our tenderfoot requirements.

We are to: 1. Make our bed each morning; 2. Set the table; 3. Dry the dishes, for one week and bring a note from our mother saying we have done so. Then we are to take complete care of a pet for one week.

Taste-Teasers

By NANCY COOK—ANS Features

Chicken pot pie has long been considered very special fare, and rightly, too. It's perfect for a family dinner, and it makes a fine party dish. And it's a thrifty dish to serve, for fowl is the least expensive meat. You can also use left-over chicken. "In a pot pie," reminds Winifred S. Carter, of Procter & Gamble's Household Information Service, "a small amount of chicken goes a long way because vegetables, white sauce and tasty biscuit topping are satisfying meat extenders. There's less work for the cook, too, since the pot pie, with the addition of salad, dessert and coffee, makes up the whole meal. For a special party touch, try serving individual chicken pot pies in small casseroles. They come in gay colors to blend with your table settings. Mrs. Carter gives us this recipe to beat the budget game with fowl:

- 1 teaspoon salt
1/2 cup Crisco
3/4 cup milk
1 egg
1 tablespoon diced pimiento
1 tablespoon diced green pepper

Make a white sauce of Crisco, flour and milk. Add egg and salt to white sauce and cook over low heat until thickened. Add remaining ingredients and place in a 1 1/2 quart casserole.

- Chicken Pot Pie (Makes 4 to 6 servings)
4 tablespoons Crisco
4 tablespoons flour
2 cups milk
1 egg
1 teaspoon salt
2 teaspoons chopped onion
1 cup diced celery
1 cup diced green pepper
2 cups diced cooked chicken

- Biscuit Topping
2 cups sifted flour
3 teaspoons baking powder

We understand your disappointment in not seeing your news last week and we appreciate your interest and thank you for your many letters but we do suggest to some 'You can catch more flies with Honey than Vinegar.'

After our opening ceremonies we discussed plans for raising money to build up our treasury. Soon we hope to come up with a good idea. Now that the Girl Scout Cookie Sale is on we know there will be a few more pennies.

When recreation time arrived, Mrs. Hughes had a wonderful game planned. It was called 'Dumb Cramo.' We all enjoyed it very much and would have liked to play it longer.

Our waistlines are certainly growing with the wonderful, delicious refreshments Mrs. Hughes has prepared for us. This week we had candy bars. Hmmm!! — Reporter Beverly Vincent.

Troop 51

Our meeting came to order in the War Memorial Building at 3:30 and the treasurer gave her report. Mrs. Hall discussed the badge list and the Ice Show. We discussed the meetings for the future. The business meeting was adjourned at 4:25 after which we played games. — Scribe Patricia Cogan.

Troop 50

Do you know how to tie knots? Just ask any girl from Troop 50 how to fasten your clothes line, rowboat or such. This Monday we learned to tie "The Sheet Bend". We now have mastered five knots. We show our skill in a Knot Race. After we played "Bird's Nest", we were dismissed. Only eight scouts were able to be present with Mrs. Fox and Mrs. Cogan.

Troop 149

We met at Mrs. Staines home for our third time. We cut snowflakes from folded paper. This showed how each design looked as it repeated itself. Next week we will cut a design in a potato. This we will use to block print a bag — Scribe Patty Webb.

Junior Women to Stage Cracker Barrel Dance

The Junior Woman's Club of Allendale met Thursday at the home of Mrs. Edward Heagen of Heights Road.

Plans were formulated for the "Cracker Barrel" Square Dance to be held at the Firehouse on Saturday evening March 1. Mrs. Edward de Jongh is general chairman with Mrs. Martin Husung as decorations committee chairman.

Tuesday evening, March 11, is the date set for the annual Fashion Show at the Church of the Epiphany Parish House. Fashions will be presented by Allendale's Country Shop. Mrs. P. H. Schefers Jr. and Mrs. Raymond M. Scholz are co-chairmen of the affair. Mrs. Martin Husung will be in charge of the buffet supper served preceding the show.

At the conclusion of the business meeting, Public Welfare Chairman Mrs. Virginia Edwards, presented Doctor Leo P. Schultz as guest speaker of the evening. The topic was "Varied Aspects of Cancer". Dr. Schultz reviewed the different types of cancer prevalent in the human body and related case histories to illustrate the successive stages of symptomatic development. He also outlined the various methods used in halting cancer.

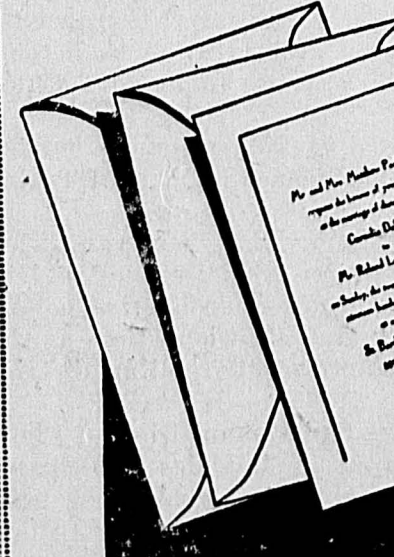

Applying national statistical ratios to a town the size of Allendale, he stated that in a population of 2500 approximately 125 patients will, in one year, show indications of one of the major signs of cancer. However, only 6 will be of a malignant nature. Out of approximately 25 fatalities occurring in a year, 3 or 4 will be caused by cancer.

While not wishing to create undue apprehension, Dr. Schultz emphasized that when one, particularly in the 40 and over age group, has any suspicious disturbance of body function, or notices a lump in any area, the thing to do is consult their physician at once. Delay all too often turns out to be suicide.

LIONS CLUB INVITES NEW MEMBERS

At the Board of Governors meeting of the Lions Club on Monday Paul D. O'Connor extended an invitation to all men in town to join the group. O'Connor mentioned that new people in town have found the club an excellent means of meeting their neighbors. He explained that any man maintaining a residence or business in Allendale is eligible to become a Lion.

Briefly, the main function of the Allendale Lions Club is to aid people in distress, especially children who are handicapped. The national organization has made helping the blind their main project and the members of the Allendale Club are doing their bit.

However, it is not a club of all work and no play. There is a dinner meeting twice a month, starting at 7:30 p. m. and ending at 8:30 p.m. sharp. A speaker is present at every meeting but members enjoy the good fellowship even more than planned entertainment. If you are interested in joining this worthy organization, stop in to see Stiles Thomas, membership chairman, at his office, 74 West Allendale Avenue or give him a ring. He will be glad to give you all of the details.

Grade One — Mrs. Berlin

We had a wonderful time making winter scenes to decorate our windows. Each child made some part of the scene and we were all delighted to see the result. Everyone who visited us on 'Back To School' night was very interested in our work. We tried very hard to do our best. We have a new boy, Bobby Wolner, who came from New Milford. Welcome to our group, Bobby, we hope you will enjoy being with us. Susi Thurston returned from a month's vacation at Fort Meyers, Florida. She brought back some beautiful pictures of flamingos, pelicans and beautiful palm trees. We all wish we could have been with her.

We are now reading supplementary books, and we enjoy the new stories. We are also very proud that we are able to recognize many of our new words at sight.

Grade Two — Mrs. McKechnie

Thomas Downs and Darold

Stetler celebrated their birthday this month. We were very proud to have so many parents visit our room during Back To School Night. We had several magazines brought in this month for our library periods. They were 'Arizona Highways', 'Junior Natural History', 'Jack and Jill', and 'Children Activities'.

Fifth Grade—Mrs Wilson

At art periods we are drawing health pictures and snow scenes.

We are learning the South Atlantic States in Geography and Mrs. Wilson is teaching us their products and important cities.

We have just received our Weekly Readers. They tell us about some of the things that happen in this World. Mrs. Wilson was absent three days last week and Mrs. Buhlman substituted.

In English we are beginning to learn how to write friendly letters.

Donald Thurston has arrived home from Florida. We are

UN Agency to Aid 'White-Collar' Workers

Non-manual workers now account for over 30 percent of the population in industrialized countries employed as wage-earners. The International Labor Organization has prepared a full description of the main problems affecting "white collar" workers which will be discussed by ILO's Advisory Committee on Salaried Employees and Professional Workers due to meet next February. Here, Max Kaufmann, Chairman of the Committee, takes up the problem with ILO's Director-General David A. Morse (center) and Assistant Director-General Luis Alvarado, at right.

RAMSEY HIGH TO HIRE SCHOOL EXPERT

A decision to investigate the possibility of hiring a consultant to offer the best solution to the over-crowded condition that will exist in Ramsey High School in a few years was reached by the newly formed Eight Town High School Survey Committee at a meeting in the high school last week. This committee is composed of representatives from each of the eight districts having pupils in Ramsey High School.

A regional high school, consolidation of districts, diversion to other school districts or development of junior high schools were discussed as possible solutions, but it was felt by the group that an over-all study of the entire problem as it affects the north Bergen area was the best approach.

**VOLUNTEERS HARD AT WORK ON ARCHER JOB**

There has been a most encouraging response to the call for volunteer help in painting the Archer Church Hall. About 30 volunteers appeared the first night and about 20 the second night. The drop in numbers was not due to waning enthusiasm but because of a conflicting meeting.

An encouraging feature of this program has been the response of the fathers of Sunday School children, even though they have no affiliation with the Church.

Members of the M.Y.F. are also cooperating in the painting project while the ladies serve home made cake and coffee when the evening's work is over.

**COUNTY BUDGET HAS**

**1 1/2 POINT TAX INCREASE**

A public hearing will be held Wednesday, February 6, on the 1952 budget for the County of Bergen. The hearing will be at the Administrative Building, Hackensack at 10 a. m.

The budget calls for a County tax rate of \$1.4 cents per \$100 of assessed valuation which is an increase of approximately one and a half points as compared with the 1951 rate and slightly less than the 1950 rate.

In an explanatory statement addressed to the taxpayers the Freeholders directed public attention to these three major items of increase in the budget which totals \$969,000:

1. Bergen Pines Hospital — due to opening of new 363 bed building — \$507,000.

2. Care of Bergen County patients in State institutions (Bergen County has no control over these costs) — \$243,000.

3. Wage increases to County employees to offset cost of living, plus adoption of 40 hour week as required by law — \$219,000.

The fact that the 1952 tax rate shows only a slight rise results primarily, the Freeholders explained, from the continued population growth which has broadened the tax base through increased assessed valuations.

**Freedom is part of the fabric of peace, and last year saw important progress towards independence by Non-Self Governing territories. Independence came to Libya last December, the first nation to achieve sovereignty through direct action by the United Nations. teaspoon pepper; stir until mixed well; pour 1 cup hot milk slowly over butter and flour mixture. Stir until smooth and creamy. Add cream sauce to smoked fillets which have been placed in a baking pan. Bake in a moderate oven for 15 minutes. Serve immediately.

**SMOKED COD FILLETS MAKE A NICE DISH**

Three senses, taste, smell and economy, are strongly appealed to by smoked cod fillets, says Mrs. Elizabeth M. Berdan, Bergen County Home Agent. Lightly smoked to a golden brown and as comforting to the nostrils as a whiff of burning leaves on a brisk fall day, smoked cod has appetite appeal to make the palate sit up and beg. The sense of economy is gratified, too, because of reasonable cost and high food value.

Smoked cod fillets are so easy to prepare. But many cooks try to prepare them the same way they would a fresh fillet. Don't, the home agent warns, try to fry a smoked cod fillet. It will lose flavor, toughen and dry. If you broil it, baste it continually, never allowing the surface to become dry. Steaming first and then a short time in the oven realizes the best smoked cod has to offer. The favorite English method of cooking and serving calls for a short simmering and then serving with a poached egg on top.

Mrs. Berdan offers the following recipe:
