## CHARLES ANDERSON JR. AND OHIO GIRL ANNOUNCE ENGAGEMENT

Mr. and Mrs. Clifford T. Diehl of Mason, Ohio announce the engagement of their daughter, Mary Margaret, to Charles E. Anderson, Jr., son of Mr. and Mrs. Charles E. Anderson, Allendale.

Miss Diehl attended Flora Stone Mather College for Women in Cleveland and the University of Cincinnati.

Mr. Anderson was graduated from Ridgewood High School and will be graduated in June from the University of Cincinnati.

The wedding will take place in the early summer.

## MUSICAL PROGRAM FOR PARENT TEACHER MEETING

The regular monthly meeting of PTA will be held at the school Wednesday at 8 p.m.

Mrs. Smithy, music department will be in charge of the program and will present pupils from the third grade through 6th grade.

The two third grade classes will be presented in singing games and the two fourth grade classes will sing Negro spirituals and other songs. Mary Elizabeth Hutchinson and George Lott will have the solo parts in "Billy Boy". The fifth and sixth grades will sing Kentucky Mountain songs and a group of sixth graders will sing "Buy Tortillas" and some other songs.

Refreshments will be served by the mothers of the Kindergarten, fifth and sixth grades.

## FINAL SERVICES HELD FOR MRS. E. McDERMOTT

A Requiem Mass for the late Mrs. Elizabeth McDermott, 88 of Myrtle Avenue, Allendale, was held Wednesday morning at St. Luke's R. C. Church, Ho-Ho-Kus.

Mrs. McDermott died Monday at her home following a long illness. She was the widow of Michael McDermott who was a former postmaster and Erie Railroad agent at Allendale. Mr. and Mrs. McDermott moved from Lackwaxen, Pa. more than 50 years ago. She was a Gold Star mother, having lost her only son, John R. McDermott, in World War I.

Mrs. McDermott is survived by four daughters, Mrs. Kathryn Lonergan of Suffern, N.Y., Mrs. Agnes Blackmore and Mrs. Mary Spicher of Allendale; and Mrs. Loretta Driscoll of Ridgewood; eight grandchildren and four great grandchildren.

Burial was in the family plot in St. Luke's Cemetery.

## THIEVES STEAL \$7. AT CRESCENT AVE. GARAGE

Harold Christopher's Crescent Ave. Garage was broken into on Tuesday night and \$7. in change was taken from the cash register. Entry was made from a small window in the rear. Police Chief Wilson is of the opinion it is the work of teen agers and asked merchants to be sure their doors and windows are securely fastened when leaving.

## SPEEDERS FINED IN LOCAL COURT

Judge Herman Honig presided in Magistrate's Court Tuesday night when he passed sentence on several motorists who violated speed laws. Those involved were Clinton J. May of Waldwick who drove his car at 50 miles per hour in a 25 mile zone on Franklin Turnpike. He was fined \$10 and \$3 cost; Charles Miller of Palisade Park travelled at 45 miles in a 25 mile zone; Louis V. Aviste of Jersey City had a similar offense; Hugo Milano did 55 miles an hour in a 25 mile zone. All three were fined \$10 and \$3 cost.

Robert Craven of Ramsey was charged with speeding at 65 miles an hour in a 25 mile zone. This was his second offense. He was fined \$40 and \$3 cost. Judge Honig considered revoking his license but the defendant pleaded that he needed his license for his work as a truck driver.

Joseph Myles McGinnis of Allendale was charged with careless driving on Franklin Turnpike and fined \$5 and \$3 cost.

Stewart Archibald of Brookside Avenue was fined \$5. for permitting his dog to run at large.

Dr. Godfrey Pittis was fined \$5 for burning without a permit.

A little dog was picked up in Saddle River and is now in the custody of the Animal Protective League. It has short red hair and a long tail. It is young and very friendly.

It is hoped that the owner or a friend may see this story and call Allendale 1-3814.

## REPUBLICAN CLUB NOMINATES NEW OFFICERS FOR COMING YEAR

When the Republican Club met Wednesday night at the home of Mr. and Mrs. Frank McCord, the nominating committee presented its report. Gil Job, chairman, announced the following slate of officers: Mrs. Edward de Jongh, president; Robert Davis, vice-president; Mrs. Robert Cross, recording secretary; Mrs. Norman Critchley corresponding secretary; Mrs. William Lenox, treasurer. With the exception of Mrs. Lenox, all the officers will be serving for the first time. Mrs. de Jongh will replace Sidney Drexler who moved recently to the Middle West.

The election of officers will be held at the next meeting, May 15 at 9 p. m. at the McCord home.

Councilman Henry Cobb will talk to the group on the subject of Public Safety.

A cordial invitation is extended to anyone interested in joining the Club to attend the May 15th meeting.

Members are asked to note the change in date from May 6 to May 15.

## ALLENDALE BEAUTY SALON PAID VISIT BY VANDALS

At 11:45 p. m. Tuesday night Officer Parenti discovered that the premises of the Allendale Beauty Shop had been entered.

Mrs. Nellie Kraut, proprietor, in checking the establishment found that while drawers and closets had been opened and contents spilled over the floor, nothing seemed to be missing.

Both back and front doors had been opened, though the proprietor claimed that both had been locked when she left the shop at 4 p.m. Tuesday afternoon.

## Regular Republicans Win Every Post; Ike Over Taft

Although there was no local contest in Tuesday's Primary election in Allendale, interest in the County and Presidential campaigns brought out a total vote of 701, with the Republicans casting 679 and the Democrats 22.

On the choice for a President Allendale chose Eisenhower with the slim margin of 19 votes. Eisenhower polled 319 votes, Taft 300 and Stassen 14.

William Widnall polled 282 votes to the "Good Government" candidate Reeve Schley, Jr., 237. Feeling among local observers pointed towards the selection of Schley but the Monday night appearance of Widnall might have swung the balloting in his favor.

Mayor Leslie R. Johnson received 476 votes to get the nomination on the Republican ticket in his bid for re-election in November. A Vail Frost with 470 votes and incumbent Councilman Mayo Harvey with 458 votes were nominated as the Republican candidates for three year terms on the Borough Council. While there was no opposition in the Primary, each will face a contest in the November election from a Taxpayer's League ticket.

Frank W. Vogt with 400 votes and Mrs. Shirley W. Cross with 469 votes were elected to the Republican County Committee.

Voters on the whole moved along from opening time in a steady stream until commuters returned home in the evening when the line began to pile up.

One of Bill Widnall's most ardent and vociferous supporters pulled down the wrong lever on his congressional choice and it took a directive from Hackensack to allow this voter his chance to vote for his candidate.

Another voter, Fred Savage was all set to vote when down came the curtains. George Warner of the water department stepped in and made the necessary repairs that stood up all day.

Another registered voter, a democrat gave the election board a job when she wrote in all the local republican candidates under her party choice.

### CORRECTION

The Epiphany Guild Auction committee would like all calls concerning pick up to reach Mrs. John Morton Allendale 1-4060-J without delay.

Janet Quaintance of Allendale will appear with the Centenary Singers when they combine with the Lafayette College Choir for a joint concert to be given in Town Hall, New York City, the afternoon of April 26.

Under the American Cancer Society's program of fellowships 70 young doctors annually are given special training in cancer diagnosis and treatment.

Mayor Leslie Johnson more popular than "Ike" in Allendale — polled more votes on Tuesday.

## LOCAL MAN IN AUTO MISHAP ON TURNPIKE

A head-on collision occurred Saturday night around 8 o'clock on Franklin Turnpike, South of McKay Avenue, in which Karl Ellis Seablade of 40, Lafayette Avenue, Westwood, was injured. Seablade was taken to the Valley Hospital by the Allendale Ambulance Corps and detained with a possible skull fracture. He was also examined for possible internal and back injuries. A head wound required five stitches to close, and members of the ambulance corps placed a temporary splint on the man's left leg.

Seablade, driving a pick-up truck, was travelling south on Franklin Turnpike, when it collided head-on with a vehicle owned and operated by Richard Stockbower, of West Crescent Ave., Allendale who was travelling north on the Turnpike. Stockbower was accompanied by his wife.

Chief of Police John Pick, Sergeant Pat Pratico and Officer Melvin J. Chapman, all of Waldwick, investigated for the police, and Chief Pick expressed appreciation for the assistance rendered at the scene by the Allendale Police and Ho-Ho-Kus Police. The Westwood Police also cooperated by notifying Seablade's family.

No charges were made.

The Auxiliary Police are busy nights painting up the local police headquarters. If the boys continue their fine work they will have a nice meeting place for themselves.

The annual dinner meeting of the Chamber of Commerce will be held Tuesday night at the Crescent Inn.

The Bayonne Hill Billy Band of T.V. fame will furnish the music.

Helen Jepson, former opera star and widely known soprano of the concert stage, is shown leading the singing at the annual sunrise service held in George Washington Memorial Park, Paramus. A congregation of 6,000 men, women and children braved the inclement weather to attend the service.

**AUTHOR GUEST AT WOMAN'S CLUB MEETING**

Roger Williams McAdams, author of "Priscilla of Fall River" was guest speaker today at the Woman's Club when they met at the Epiphany Parish House.

Mr. McAdams is a descendant of the Rhode Island Roger Williams and grandson of a Rhode Island builder of sailing ships. His newest book which he reviewed today is a blend of romance and realism of the "Old Fall River Line". The Priscilla was the Queen Mary of the Fall River Line in the Gay Nineties.

The author's fictionalized biography of the Priscilla's life, times and passengers weaves fact with romance, adventure, salty captains, heroes and rascals.

The author autographed copies of his book which were offered to Club members at a special reduction for the occasion.

U. S. refineries have a combined capacity to process 7,230,000 barrels of crude oil per day.

**FIRST GUESTS COMING?**

**SO YOU'RE A BRAND NEW BRIDE!** Maybe you and your kitchen range aren't well acquainted yet. But the day always comes when guests arrive. It's no light matter, this first dinner party. Enjoy your role as hostess by choosing a simple menu. While summer days are with us, you can't go wrong with ice cold vichyssoise for a start (canned, of course); Your main dish, Chicken Tetrazzini, a suggestion from the Research Kitchens of Blue Bonnet Margarine, is easy to do, delicious. Even use your can opener for the chicken if you're in that much of a hurry.

**CHICKEN TETRAZZINI**

- 1/2 lb. noodles (2 cups broken)
- 6 tablespoons Blue Bonnet Margarine
- 3 tablespoons sifted enriched flour
- 1 cup chicken stock or bouillon
- 1 cup milk
- 1/4 teaspoon cayenne pepper
- 3/4 cup canned or sauteed mushrooms
- 2 cups diced cooked chicken
- 1/2 cup fine bread crumbs
- 1/4 cup grated Parmesan cheese

Place noodles in large pan of rapidly boiling salted water. Cook until barely tender. Drain and rinse with hot water. Melt 3 tablespoons margarine in heavy pan. Remove from heat and blend in flour. Stir in chicken stock or bouillon and milk. Stir over moderate heat until mixture comes to a boil. Add cayenne pepper and canned or sauteed mushrooms. Place a layer of cooked noodles in greased 1 1/2 quart casserole or baking dish. Add a layer of sauce, then a layer of diced cooked chicken. Repeat layers finishing with a layer of noodles. Blend bread crumbs with grated cheese and sprinkle over top. Dot with 3 tablespoons margarine and bake in hot oven (425° F.) 20 minutes until brown on top. Serves 6.

**We Heard**

The Goodwill Industries truck will be in Allendale on Thursday. Anyone desiring to have donations of clothing, furniture etc. picked up should call Allendale 1-3565-R or Allendale 1-4336.

In case you have missed our favorite butcher Eddie Anderson, he is busy right now doing some shopping for a new addition to the Anderson family expected any day now.

The Allendale Cub Scouts

had an interesting and instructive trip through the rock garden at the home of Mrs. H. Craven recently. There were many specimens in bloom and the Cubs were instructed in the names and characteristics of each variety.

Mrs. William Forbes, Mrs. Arthur Fallon, Mrs. Stanley Wenc and Mrs. William Previdi, of the Woman's Club, attended the 11th District Drama Festival, of the New Jersey Federation of Women's Clubs, held at Pompton Lakes on Tuesday.

Dr. Edwin Miner will occupy the pulpit of the Archer Memorial Church Sunday Morning. Dr. Miner is a minister of the Presbyterian Church, a university professor and is now associated with one of our world wide movements to eradicate leprosy. He resides in Ramsey.

Everett Straut, local electrician is scheduled to report for jury duty next week.

No figures are available at this time but indications point to a very successful scrap collection last Saturday by the local Boy Scouts.

**BOY SCOUT CLEANUP LOCAL MEMORIAL PARK**

Spring cleaning of the outdoor variety was the theme of last Saturday's Den 6 meeting held on the grounds of the War Memorial Building. Geary Ahren led the Pledge of Allegiance at the flagpole in front of the Hall to open the meeting. Thereafter, under the direction of Denner Bob Kanning, the Cubs fell to with a will (the like of which has probably never been seen around their own homes) on their Service Project of cleaning up the grounds. In addition to Geary and Bob, Cub Scouts Alex Arns Jr., Jack Runney, Bob Thomas Jr. and Assistant Denner George Martin raked and toted basket after basket of dead vegetation tree limbs and assorted trash to the rear of the plot. After the clean-up was completed along the south side of the building four small evergreens donated by a resident were planted on either side of the steps. The meeting terminated at eleven o'clock when the magnificence of the opening of the fishing season and the initial small fry baseball practice asserted themselves. The efforts expended by the boys up to that hour are evidenced by the much improved appearance of the grounds and they should feel very proud of a 'good job well done'.

**Are You The One Out Of Five?**

"Help Fight Cancer". This slogan is heard frequently today since April has been designated as Cancer Control Month.

It is estimated today that one out of every five Americans will develop cancer. That hits home with something of a shock. However, in the past seven years, the American Cancer Society has given scientists over twenty million dollars for research, dollars that you, the American public have contributed. This money is paying dividends today, in saving lives where early diagnosis has indicated cancer.

Your money, too, is being spent in educating people to detect the danger signals of this dread disease so that, in its early stages and while there is still time, it may be cured.

Another heavy expenditure is that of caring for the countless numbers of patients throughout the country who have to have medical and surgical care.

The American Cancer Society is again appealing to us for funds to combat the menace of cancer. In Allendale, we are asked to raise \$700, a small sum, indeed, when we consider that in the year 1951 alone, patients in our Borough were helped to the extent of \$874. There has not been a Cancer Drive here in the last three years. Yet during that time the Society has helped some of our neighbors with services and medicines, at a cost, to the Society, of \$1,174.

The members of the Woman's Evening Club are spearheading this drive. They have already made many calls and, to date, have collected less than half of their quota. It is their earnest hope, that by the end of the month, they may have a contribution, however small, from every home in the Borough.

We know there have been many claims upon that shrinking dollar but perhaps if we cut out a package of cigarettes here or there, or sacrifice some other luxury, we could donate the money saved to this worthy cause. When the canvasser calls, don't turn her away. At least, cross her palm with silver. Who knows? It may play a part in your future, too.

**Bath Therapy at U.N. Polio Center**

Fourteen young women from ten nations are receiving specialized training in the treatment of poliomyelitis at the International Children's Center, which is supported by the United Nations International Children's Emergency Fund (UNICEF). The center is in the Raymond Poincaré Hospital, in Garches, France. The trainees, including nurses, social workers and physical therapists, attend lectures and take part in the clinics, gymnastic rooms and therapeutic baths. Above, nurses are participating in a demonstration in hydrotherapeutic treatment. The French Government has offered the educational facilities of the hospital to UNICEF without charge.

**Eight Town League Hear Plans for Ramsey High**

The fact that the State will not conduct a survey of school districts to determine the area for a regional high school or a consolidation of districts but acts only in a consulting capacity was brought to the attention of members of the Eight Town High School Survey Committee by Dr. Kenneth F. Woodbury, Assistant Commissioner of Education of New Jersey at a recent meeting.

Dr. Woodbury was invited by the group to enlighten them on steps to be taken to solve the overcrowded conditions that will exist in Ramsey in a few years. Representatives of the eight districts having pupils in Ramsey High have been meeting for the past several months to work on this problem. The firm of Bagby and Pangburn, survey consultants, were interviewed at the last session, and a decision was made to invite another consulting firm, Klein and Jones, to the next meeting on April 23.

Procedures to be followed in establishing regional high schools, and a suggested form for a survey of areas that might participate, are being published by an advisory committee to the State Commissioner of Education. Dr. Woodbury, a member of this committee, stated that his material will be available in the near future. In a question and answer period following, Dr. Woodbury stated that a 4 per cent borrowing power is allowed to each district above their combined municipal and school borrowing power for construction of regional high schools.

As a result of Dr. Woodbury's suggestion that consideration of a broad area be made including all towns that may be interested in high school facilities, the group voted to invite Midland Park, Ho-Ho-Kus and Oakland to the next meeting.

No rabbits, chicks or ducks

The class has displayed their interest in the presidential nominees by contributing to a bulletin board of pictures of candidates (and wives). Some fancy posters and handbills are made in idle doodling also.

We thank the PTA for the two dollars they sent to us for having the majority of parents out to the meeting last month. We are considering different uses for the money.

Deborah Higgins, Geraldine Ivany, Ann Cavanaugh and Nancy Bouton presented a program Wednesday in class commemorating Pan American Day.

The thoughtfulness of the Girl Scouts of Troop 50 was greatly appreciated by the guests at Sunny Rest when the girls brought gifts of paper tulips on Easter. The flowers were so expertly made that it was hard to realize they were artificial. We understand that the Girl Scouts do similar good deeds on the other holidays of the year.

Mr. James Martin, Allendale Press, Dear Sir:

The members of the Allendale Chamber of Commerce and myself wish to extend to you our very best wishes on your first anniversary of your newspaper.

Evelyn J. Grossmann  
Secretary Chamber of Com.

The Aula Company, Inc., subsidiary of Archibald and Kendall, Inc., New York City, announced the appointment of Tom Murphy, Chestnut Street, as sales manager. He joined the Archibald and Kendall organization in 1948.

His father, Lawrence M. Murphy, was with Armour's for 30 years and is now retired.

COUNCIL PASSES SOIL REMOVAL ORDINANCE

The new Soil Removal Ordinance passed last Thursday night at the meeting of the Borough Council will prevent soil and sand mining for profit, except by Borough Council permission. During the public hearing on the ordinance, excavator Pasko Job and developer George Wilson were concerned as to how the ordinance would affect their operations. However their fears were allayed when it was pointed out that the ordinance did not apply to soil removal in connection with excavating for home or other building construction.

On the motion of Safety Commissioner Henry Cobb, the Borough Clerk was instructed to advertise for bids for the new fire truck for which the 1952 budget appropriates \$14,000. Specifications are on file with the Borough Clerk and bids will be opened at the next meeting of the Council, April 24.

Councilman Frank McCord in reporting on the recent meeting of the Northwest Bergen League of Municipalities intimated that a petition will be sent to the Board of Freeholders asking that a sponsoring body be set up with regard to the trunk sewer for Northwest Bergen which it is hoped will one day be a reality.

McCord also told how the County proposes to do brook cleaning and straightening for municipalities at little cost. The County will supply equipment and manpower and the municipalities will pay for the gas and oil used by tractors and bulldozers.

Councilwoman Hanson reported that at long last Rockland Electric Company has put the lights at the Plaza. However, she also reported that already some have been broken by rock throwing, BB rifle or in some other manner. The lamps cost Allendale \$15 each and Mrs. Hanson warned that the cost to lamp breakers will be considerably higher, if they are caught.

The Holiday Observers request for use of Recreation Park was approved. The Legion request for Recreation Park for baseball was turned over to the parks and lights committee.

Kern's Courage

Kern did not know any of the boys in Littleton High School. That was the disgusting part of moving to a new town — you had to leave all your friends behind. And a fellow doesn't make friends in a hurry if he's a little on the shy side, like Kern. But before two days had passed, Kern knew which of the twenty boys he'd like to have for a pal — Clyde Bosker.

But there wasn't much chance of that. Clyde was popular and had a host of friends. Kern was thinking about it in Chemistry class, when suddenly he heard his name. He looked up and gathered his wits. Then he caught on that Mr. Van Dorn had asked him a question.

"I didn't hear you sir," said Kern. "Did you prepare today's lesson?" Mr. Van Dorn asked. Kern cleared his throat and hesitated. If he admitted that he neglected to study, he would be off to a bad start in Chemistry. Mr. Van Dorn was known for his sternness. But — it was the truth. "No sir," he said.

Mr. Van Dorn tapped his desk with a pencil while his frown grew deeper. Have you an excuse? he asked. Kern looked into Mr. Van Dorn's eyes. "No sir," he said. "I guess I just — just didn't feel like studying."

The class was quiet. All knew that Mr. Van Dorn had little patience with loafers. He coughed a bit. Then said "Very well. I appreciate your honesty. But do not let it happen again."

Kern was quite provoked with himself for having been the center of unpleasant attention. But he was surprised to find Clyde walking beside him as he left the school ground a little later.

"I admire courage," said Clyde. "And besides — I sort of liked your looks from the start."

The Evening Guild is planning to hold an auction sale on the church grounds on Saturday, May 10.

Stanley Hover, originally of Allendale has returned from Paterson General Hospital where he has been a patient for six weeks after suffering a heart attack.

His son, Corporal Robert Hover of the U. S. Marine Corps, stationed in California, is preparing for his sergeant's stripes. He is now in charge of his class consisting of about 40 men.

BETTER SIGN STUDIOS Allendale 1-4068 PROMPT TELEVISION SERVICE & REPAIR Call WALT ENSOR Wyckoff 4-0469

day school, and try to live the way a Christian should. That's not your style, I take it."

They walked along in silence till Kern said, hesitatingly, "How about coming along to church with me and finding out what's it like."

"Me? To church?" Clyde exclaimed. "No thanks, chum!" Kern looked at him with a grin. "Afraid the fellows will laugh at you?" he asked.

"No!" Clyde exploded. "I should say — well — maybe that is one reason, come to think of it. Hmmm, Maybe I will go."

They looked at each other again and smiled. "I did sort of like your looks from the start," said Clyde. "And I like courage. And I don't care if they do laugh at me!"

"Good," said Kern. "I like courage too." Reprinted from Faith, Prayer and Tract League.

LITTLE LEAGUE STARTED ON PLANS FOR 1952

Allendale Little League Baseball received a good start at a recent meeting of interested parents and local organization officials. Plans for 1952 and the future were discussed and amid great enthusiasm several committees were appointed and given instructions to start immediately on their respective tasks. Committees were set up to handle finances and insurance, membership, field procurement and development and team managers and staff umpires also would be handled by a committee in charge of that important phase.

The finance committee was to get busy immediately to endeavor to line up sponsors as well as to consider other means of raising funds and also to look into an insurance program to cover Little League players, managers, umpires, etc.

The membership committee plans to put on a drive to enroll members in the organization from among residents of Allendale whether or not they have children who are active in the Little League program.

The field procurement and development committee is to communicate with the Park Commissioner with a view to obtaining the use of the field at Recreation Park as well as to accomplish much necessary work in improving the playing field itself as well as erect bleachers for spectators.

Allendale and Ho-Ho-Kus are expected to field two teams each and Midland Park Mahwah and Saddle River have been invited to join the former in organizing a League to be composed of from six to eight teams, with the league opening tentatively scheduled for May 10th.

The Rev. Harry W. Goodrich and Lewis Thurston are spending a short vacation in Florida. We hope the fishing is good.

Young Homemakers Corner By ANN GARY-ANS Features

DETERGENT SHAMPOOS CLEAN SYNTHETIC RUGS—Biggest news underfoot these days are the exciting new man-made fiber woven rugs which take an honorable place beside the time-hallowed wool carpeting.

NO BUGS SNUG IN RUGS High-styled but not high-priced, they offer many advantages: they take dyes easily, wear beautifully and come in fascinating textural weaves. But how to keep them looking beautiful? In its survey of leading rug manufacturers, Tide Washing Clinic has found that these new rugs are easy to clean, tend to shed dirt and resist resoiling after cleaning. But their biggest undercover enemy is DIRT.

BEAUTY IS RUG DEEP Regular vacuuming helps to keep out this arch enemy for a while, but one good shampoo is needed at least every year to keep colors bright.

If you have the muscles and ambition you can tackle the job at home. Just follow these tips: VACUUM RUGS FIRST, on both sides, if practical, before the shampoo.

WHAT TO USE? You've got an excellent rug cleaner sitting in a box under your sink! The all-purpose detergents like Tide are a boon to this job. They get right at greasy film and their no-scum feature eliminates the rinsing problem.

HOW MUCH TO USE? Add 1 cup of Tide to 1 gallon of lukewarm water and 1/2 cup of vinegar. Whip up a pile of suds, lots of it, because you use only the suds. Start at one corner, scoop up a large glob with a stiff brush and rub over a small section. Avoid getting the rug too wet. Wipe up excess suds with a sponge or towel. This takes up additional soil and helps to dry the rug. Clean adjoining sections, overlapping, to avoid the possibility of soil rings.

DRY RUGS after shampoo by setting heaters or fans around or by using your vacuum in reverse. Babying rugs, whether they are new man-made fiber type or wool carpeting, pays off dividends in years of beauty and wear. It's not easy but it's worth it!

FISHING REGULATIONS NOW AT WINTERS STORE The State Division of Fish and Game, Department of Conservation and Economic Development, today announced the Compendium of New Jersey Fish Laws, including 1952 fishing regulations have been printed and are being distributed throughout the State.

A supply of the printed form is being sent to all license issuing agents and game wardens for distribution to fishermen who request such copies. The compendium not only contains a wealth of fishing license information and the 1952 fish and game code but lists names of members of the State Fish and Game Council, officials of the Department of Conservation and Economic Development, including the Division of Fish and Game, and regular fish and game wardens.

The American Legion Post 204 is on the look out for a good band to lead the Memorial Day exercises in Allendale. Any suggestions will be welcomed.

Not only do poor breakfast habits lower children's efficiency in school but also, as government nutritionists point out, children who go with little or no breakfast are likely to be undernourished because they cannot take a large enough quantity of food at the other two meals to supply their daily needs.

Tomorrow has been set aside as "Clean Up" Day for the local Boy Scout Troop. They will clean up the library grounds and help with the landscaping.

### GARDENERS TO HOLD ANNUAL PLANT SALE

The annual plant sale sponsored by the Allendale Garden Club will be held Saturday, May 3 on the Plaza.

Mrs. Roy Quackenbush is chairman of the committee, assisted by Mrs. L. R. McPeck and Mrs. L. R. Johnson.

Holly trees will be sold by the pair at bargain prices and may be reserved now. Annuals and perennials will be available as well as broad leaf evergreens, andromeda, azaleas, rhododendron, also flowering shrubs and vines. Other new attractions are chrysanthemums, galore, in a riot of color, house plants, herbs and vegetables.

The Garden Club helps in many ways to beautify the community and their source of income with which to do this good work is derived from the plant sales. So residents are urged to rally to the plant sale, May 3, and make it a bigger success than ever.

### HACKENSACK HOSPITAL REACH QUARTER MARK FOR HOSPITAL DRIVE

With their annual fund-raising drive barely under way in most communities, the Woman's Auxiliary of Hackensack Hospital has achieved nearly \$5,000 toward their \$20,000 goal. This was announced at their monthly meeting held recently, by Mrs. Charles Conklin, finance chairman, who said many local branches had delayed their drives until after Easter.

The need for increased Auxiliary funds was aptly illustrated when the group voted unanimously to purchase for the hospital equipment requested by its administrator, Mrs. Mary Stone Conklin. Included were two cribs and two youth beds, with mattresses for each, for the crowded pediatric ward and a tracheotomy set for the emergency room; at a total cost of \$619.50.

Mrs. George Ramey, program chairman, announced that the May 13 meeting would feature two guest speakers—a member of the Valley Hospital Auxiliary, who will discuss the creation and running of a hospitality shop; and Martin Ulan, assistant administrator of Hackensack Hospital, who will talk about the new wing now under construction.

It was reported that the Allendale branch had prepared 5407 dressings during the current fiscal year.

### LEGION AUXILIARY HOLD MONTHLY MEETING

The American Legion Auxiliary met Tuesday night at the home of Mrs. Archie Gamble in Mahwah, with Mrs. Gary Tallman as co-hostess.

The group voted a cash donation to the program for beautifying Memorial Park on Memorial Day.

Mrs. Gary Tallman won the Dark Horse. The next meeting will be held at the home of Mrs. F. Hegerman of Waldwick, with Mrs. A. Danowski as co-hostess.

Among those present Tuesday night were: Mesdames Burnett, Gamble, Art, Danowski, Wehner, Tallman, Fox, Winter, Hegerman and Reyner. Mrs. Rowena Smith was a guest.

### HOMEOWNERS WARNED OF HUMUS 'GYPS' IN AREA

Home owners were warned today by the Bergen County Department of Weights and Measures to beware of the peddlers who sell humus by the pound from their trucks.

Michael J. Santimauro, Department Superintendent, said that these peddlers usually stop their trucks in front of a home and offer to distribute humus on the lawn for three or four cents a pound.

"The average home gardener figures that 50 or even a 100 pounds would cover his lawn nicely at a very reasonable cost and he gives the peddler the green light", said Santimauro. "When the spreading job is completed the peddler notifies the householder that the job cost \$50 or \$60.

"Our Department, working in conjunction with the State, is constantly on the lookout for these swindlers", he said. "We have caught a few and fined them heavily, but the racket continues.

"If you want humus for your lawn or garden, buy it from an established seedsman or a reputable store. Don't buy humus by the pound or pail from a truck peddler" he warned.

According to excavator Pasco Job, Allendale may have a third swimming pool in the Borough. At present there are Crestwood and San Jacinto in addition to the town pool in Recreation Park.

### SCHOOL ROUND UP FOR KINDERGARTEN

The pre-school registration of all children who enter Kindergarten at the Allendale Public School in September 1952 will be held on Tuesday, April 29, 2 to 4 p.m. and Wednesday, April 30, 1952 from 2 to 4 p.m.

All children whose surname begins with "A" through "I" will report on Tuesday, April 29.

All children whose surname begins with "K" through "Z" will report on Wednesday, April 30.

Only children who are or will be five years of age on or before December 31, 1952 will be eligible for kindergarten.

Please bring the child's birth certificate or baptismal certificate with you and also a record of your child's immunization and contagious diseases which he has had.

Your child will receive a complete physical examination by the school physician or this examination may be done by your family doctor.

Please come prepared with your child's slippers and bathrobe if your child is to be examined by the school doctor.

### TV STAR, DENISE LOR TO APPEAR IN WALDWICK

The Waldwick Mixed Chorus is extremely fortunate to have a famous television personality for assisting artist at its approaching concert on April 20th. Mr. Frederick Schweppe, the director, has secured the services of Miss Denise

Briault Lor, one of his star pupils. Most daytime television viewers have seen Miss Lor on the Garry Moore Show Monday through Friday, and know what a beautiful, charming and versatile person she happens to be. She possesses a lovely lyric soprano voice and has been studying with Mr. and Mrs. Schweppe for the past six years. Miss Lor's first and extremely successful theatrical engagement was in light opera during the season of 1945, in Toledo, Ohio. She returned to New York and was chosen to be soloist with the Ice Show, where she remained for two seasons, at the Centre Theater. She met her husband, Mr. Jay Martin, during the second season of the Ice Show, when he appeared as tenor soloist. They have two young sons, Ronnie and Denis.

Mr. Schweppe has arranged a most delightful program for both the Chorus and Miss Lor. Mark your calendar with the date, April 20, Waldwick Public School, time 3 p.m.
