Mr. Albert Van Voorhies, Mr. Harry Clar.

Delegates to Bergen County Council of Churches:  
Mrs. Hamell Suhadolc, Mr. Peter Crosby, Miss Sherill  
Horton, Mr. Frank Brower, Mr. Harry Clar.

WHEREAS Archer Memorial Methodist Church continues  
to grow in size and in the number of capable  
and qualified lay persons, and,

(contd.)

WHEREAS it is to the benefit of the church in general as well as to the good of the individual lives of its members to encourage spiritual growth through varied opportunities for Christian service and,

WHEREAS the present church policy adapted April 16, 1961 which limits the terms of office of committees and commissions to three years, or if re-elected to five years, does not seem inclusive enough in its scope to provide for an adequate turnover of all leadership positions in the church, and

WHEREAS the Nominating Committee is unanimous in its opinion that additional provision should be made in our policy of limiting the length of service in any single position of the church,

IT IS HEREBY RESOLVED that the policy adopted at the Annual Meeting on April 16, 1961, be rescinded, and,

IT IS FURTHER RESOLVED that the following become the policy of nomination of the Archer Memorial Methodist Church effective immediately:

1. Trustees are to be elected for one 3 year term of office and may not succeed themselves until one year after their term has expired.
2. All other officers, stewards and commission members are to be elected for a one year term and if re-elected, they are permitted to succeed themselves for a maximum of four terms in the same office. A person may serve in any other capacity immediately or be returned to the same office after an absence of one year. The only exception shall be when a committee or commission member becomes chairman, he may be permitted to serve four additional one year terms.
3. The new Nominating Committee be authorized and instructed to fix the terms of office of the present commission and committee members into four classes in order to introduce a rotation plan.
