

Librarian Prepares Vacation Book List

ALLENDALE--Mrs. Austin Sprage, librarian, has arranged a group of books for suggested vacation reading. For readers who plan to be out of town many books are available for an extended four week period.

Students will find that Mrs. Sprague has many book lists and has obtained paper back copies of some of the volumes in steady demand. Voters who are confused might find help, too. The New York Times Political Guide is packed with facts.

This Summer a reading club has been started for fifth and sixth graders. This is a club without by-laws or dues. Its sole purpose is to promote an interest in reading. All members who read 10 books and hand in written reports will be rewarded at the end of the Summer. It's not too late to join.

The Friends of the Library plan to continue story hours all Summer.
