

REHEARSING A PLAY as part of the Summer theatre program at Edith A. Bogert School, Upper Saddle River, are Lee Ann Hansen, Laurence Owens and Ginny Knight.

Upper SR Children To Produce Plays

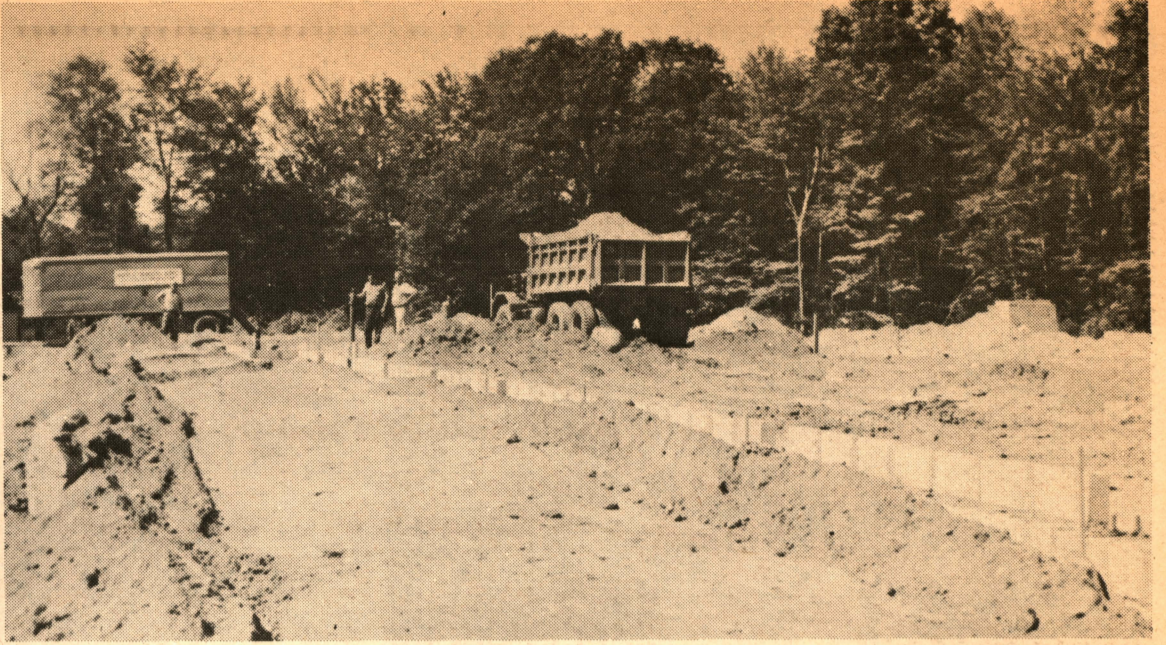

UPPER SADDLE RIVER - A \$400 donation made by the Saddle River Valley Lions Club, \$600 appropriated by the Borough Council and the enthusiasm of several Bogert School PTA members have all made it possible for local school children to become familiar with producing plays.

Beginning next week, on Tuesdays, Wednesdays and Thursdays from 11:30 a.m. to 5 p.m., the PTA will sponsor Summer theatre workshops at the school for children from fourth grade through high school. Sessions which are free, will be under the direction of Miss Joan Maurice and Miss Beth Fowler of the Bogert School teaching staff. Coordinators of the program

were Mrs. Saul Mandel, Mrs. Ordeen Knight, Mrs. James Gallagher and Mrs. David Cole of the PTA.

During 1964, an estimated 11,000,000 needy persons in 39 countries will receive CARE self-help and medical assistance as gifts from Americans.

Now Ford has five hot lines!

With the introduction of the Mustang, Ford now has five hot-selling lines of cars. The big Ford started the stampede months ago. Now Mustang leads the stampede the big Ford started. More and more car buyers are discovering the big changes in Ford that have made so many "other make" owners change their minds. Try total performance (all 46 Ford models have it!) at your Ford Dealer's.

AS WE SEE IT

A Safe Fourth

You'll have a happy fourth, if you be cautious driving, swimming, too. From poison ivy keep away; don't sit out in the sun all day. Be moderate with food or drink. You've got the message....stop and think! These rules, of course, should all apply to every day throughout July.

Be sure your car is in top driving condition Saturday and all summer long. Have it checked over by an expert mechanic here...and remember to have regular mileage checkups as recommended in your car manual. Secor's Service Station, Route 17 and Lake Street, Ramsey. Phone 1593.

For the biggest choice of models (from Falcons to Thunderbirds), you can't beat your Ford Dealer. But that's not the *only* corner he has on the market. Try his total performance cars and see what strength, stamina, swift acceleration and top road-hugging ability can do for your driving. Take a look at what a really *new* car should look like—the Mustang. And don't forget the car that started the stampede to Ford, the big Super Torque Ford. Perhaps it's time you made the "Big Change" to Ford!
