June, 1972

SHELVES UP

The shelves we voted to supply for the library were put up Friday, May 12 by Marie Saul, Jo Long, Sylvia Raber, Sabina Alonzo, and Ruth Freudenthal. The shelves were made by the Northern Highlands Regional High School shop class under the direction of Mr. John Pietrowski. Because we only had to pay for materials, the final cost to us was just \$29.97. Many thanks to Marie Saul for her complete and efficient coordination of this project, and to Mr. Pietrowski and the N.H.R.H.S. shop class for their work. Thanks also to Lucille and Jim Thomas for their help in adjusting the shelf brackets.

WAYS AND MEANS

Many thanks to Betty Quackenbush for hostessing a lovely "French Luncheon" on May 23rd for the benefit of the Friends of the Library.

Please call Shirley (327-4782) by June 20 if you plan to attend. The luncheon is limited to 24 and friends are welcome. Shirley would like the assistance of 2 or 3 members - call if you will help.

This first menders meeting will be a workshop for new and "old" menders, to teach and re-acquaint menders with the various techniques used to "patch and paste."
