DID-JA KNOW

Your Student Council under the direction of Mark Scanlon, Pres., and Mr. Robert Hellwig, Faculty Advisor, packed and distributed eight Christmas food baskets to needy families in the area. A 20lb. turkey and all the fixings were included in each basket along with many other grocery treat items. Sue Ross, Betty Stevens, Brian Scanlon and Maureen Purtell also helped.

The Student Council Treasury funds were used in this meaningful gesture.

DATES TO REMEMBER

Guidance

The Junior guidance appointments will be held in March. The students will have individual meetings with the counselors and their parents to help plan their senior schedule and also investigate college offerings. Appointment sheets will be sent home with the students.

On January 15th a meeting with all the 8th grade students and parents (and Guidance Dept.) will be held to familiarize them with course offerings at Northern Highlands. This meeting will be at 7:45 p.m. in the auditorium.

At this time the department chairmen will discuss the offerings in various fields and answer any questions that may arise.

THANK YOU!

To all the mothers who donated their efforts to make the Senior-Alumni Reception on Dec. 23rd a success. And to all those Junior Class girls who baked all those good cookies.

The mothers are Bea Glomb, Dotti Dyer, Barbara Pirie, Joan Yeaple, Virginia Coill, Cathryn Gilson and Dorothy Keal.

The Home & School Association donated the punch to complement the cookies. The news is out that a good time was had by all.

SPORTING NEWS-WRESTLING

Northern Highlands was one of 4 host schools for the Bergen County Coaches Tournament held over the Holidays. This year Highlands was pleased to be included in the newly expended 16 team tournament.

Although we didn't win any honors, we have high hopes for next year

GRAPPLETTES

The Grapplettes consist of 13 active members who are busy supporting the wrestling team. They were founded 4 years ago under the direction of Coach Larson. These girls keep the records and books for the team and keep the scores on the blackboard for the teams, including the freshmen.

They have bake sales at school to raise funds for extraordinary expenses, such as team hats and breakfast for the boys on the days of the district meets. Their current project is to raise money for a cooler for the team. They also make up programs for the meets.

The three girls in charge of the group this year are: Edamarie Widmer, Abbe Steinberg and Paula Adam.

Needless to say, they are great morale boosters!

AWARD CORNER

The John Philip Sousa Award is given to the graduating senior who best exhibits the highest quality of musicianship, loyalty and citizenship in Band. This is a national award. The winner is presented with a desk set with a gold medallion, a bust of Sousa on a marble base and a certificate.

June 1975's award went to:
Lisa Vreeland.

The Louis Armstrong Award is a national award that is comparatively new. It goes to the graduating senior who best demonstrates musicianship in the field of jazz. The winner is presented with a desk set, pin, and a bust of Louis Armstrong.

Last year's winner was Don Gardner.

LAUREN TROWSELL has gathered two awards in separate endeavors in the writing arts. She is a finalist in the National Council of Teachers of English Writing Contest. And her poem won her second place in the 13th Annual Poetry Contest of Hollins College (Va.).

Lauren's interests lie strongly in the arts and she plans to pursue these interests in her college studies. We are proud of Lauren's successes.
