PRESIDENT'S MESSAGE....

Our search for treasures of bygone years continues and we are fascinated by our findings.

As we record and preserve them, it is our hope that future generations will appreciate and enjoy these tokens of their heritage.

...A. Marian Strangfeld

ABOUT THE SOCIETY...

The Allendale Historical Society grew from a group of 15 interested individuals who met on September 9, 1974 to discuss the possibility of forming a permanent organization to collect, organize, and disseminate information dealing with the history and heritage of Allendale and the adjoining areas.

A prototype newsletter was assembled, printed, and mailed to Allendale residents and friends whose names were suggested to the newsletter chairman. This newsletter served as an introduction to the Society and an invitation to the first public meeting of the new society.

At the first public meeting, held at the Allendale Municipal Building on October 7, 1974, the society was officially formed, By-Laws were adopted, and a nominating committee was elected.

Since that time, the Society has met regularly 4 times a year and has enjoyed the cooperation, support, and congeniality of its more than 200 members.
