## *A Word of Appreciation*

The members of the Episcopal Church of The Epiphany in Allendale, who have compiled this book, did so in the hope of continuing a useful service to the community.

We want to thank all of you who helped. The financial support of the merchants and professional advertisers helped to defray much of the expense—as did other donations, especially from our neighboring townspeople.

The enthusiasm and cooperation of officials, friends, and the committee members also greatly enhanced and assisted this project. To all of you go our heartfelt thanks and good wishes.

We dedicate this book to you, the User. We hope you will find it a practical and useful resource and that you will keep it readily at hand. We hope it will bring you together with the members of our business and professional community, and we hope, too, that it will help to make living and working in Allendale more convenient and pleasant for you.
