AC-27

Delegates from the Allendale Ambulance Corps to the New Jersey First Aid Council's monthly meeting Tuesday at New Milford are Archie Farrell, Secretary of Council; Harold Ryan; and Paul O'Connor, Ambulance Corps president. Alternates are Kenneth Booth, Walter Christie and Jacob Kaplan.

The Corps is making a house-to-house canvass with tickets for the Tuesday night card party being held for the benefit of the new ambulance fund. Farrell has announced that besides the regular prizes, a door prize will be awarded, and it is hoped to have a good attendance.

Corps members drove Gustave Nadler, chairman of the Fusion Party, to Hackensack Hospital Friday, where he was admitted for observation, suffering from stomach ailment. This is the tenth call received by the Corps this month.
