**ACCIDENT AT ALLENDALE**

Police Chief William J. Reimer said today he will probably make a charge of reckless driving against John J. Walsh, 28, of Butternut Road, Ramsey, whose car sideswiped a pole on the wrong side of Franklin Turnpike at about 3 P. M. yesterday in Allendale. The accident was reported to Reimer by Kenneth Booth of Franklin Turnpike, and Walsh was found at Allendale station plaza. He had parked his damaged car in the rear of the Allendale Hotel, although employees said he had not been in the place. It was an hour after the accident that Walsh was examined by Dr. Frederick R. Kanning, who said that although Walsh had been drinking he was not unfit to operate a car.
