CONFIDENTIAL PAPER SHREDDING DAY!

SAVE THE DATE: Saturday, October 12, 2013 at the Borough Hall parking lot, 500 West Crescent Ave. from 9:00am to 1:00pm. The Borough is hosting, for Allendale residents, a confidential document shredding event. Clean out your files, box them and bring them to the event. Nexcut Shredding provides mobile paper shredding trucks that are equipped with a camera system that allows participants to observe the shredding operation. This is a safe and free event to recycle your confidential/sensitive materials. Books, magazines, newspapers, photographs and x-rays are not accepted at this event. You can dispose of these types of materials at the Recycling Center.

HOUSEHOLD HAZARDOUS WASTE/E-WASTE COLLECTION

Doing your Fall clean-up? Wondering what to do with old paint, blacktop sealers, fertilizer, insecticides, computers, televisions, microwaves? Bergen County Utilities Authority collects hazardous waste to be recycled. Please check the borough's website for the dates, locations and items to be disposed of at www.allendalenj.gov. Do not dispose of hazardous waste at the Recycling Center.

From the Mayor's Desk

September 11th this year was indeed very special. Allendale recently received a steel beam from the World Trade Center. We scheduled our traditional candlelight vigil for sunset at the 9/11 Memorial. A couple of weeks before 9/11, Lt Governor Kim Guadagno called and asked if she could be part of our dedication of the steel beam. Unfortunately the Lt Governor could only come to Allendale at 10:00 am. It was decided that this year we would have two ceremonies to accommodate the Lt Governor.

The morning ceremony was a moving tribute to 9/11 and the significance of a piece of history that Allendale was so honored to receive. In addition to the Lt Governor, many elected officials attended. We were also privileged to have Senator Kevin O'Toole, Bergen County Freeholders Maura Denicola, John Mitchell, John Felice and Tracy Zur along with four local Mayors and members of our Town Council in attendance. Students from Northern Highlands and the entire eighth grade class from Brookside School came to witness the dedication.

I want to thank the Executive Director of the Port Authority Bill Baroni for permission to obtain the steel beam. Most importantly, I want to thank Councilwoman Amy Wilczynski for her tireless and persistent efforts to secure one of the largest pieces of steel from the WTC. She did an incredible job!

The steel beam was placed near our 9/11 memorial and draped with the American flag. Northern Highlands "Voices" delivered a beautiful rendition of our National Anthem. Many words were spoken about those lost and the significance of having a steel beam from the WTC here in Allendale. A committee has been formed and a memorial designed to appropriately display the steel beam. A timeline will be engraved in stone setting forth the significant events of that day so our young people might get a sense of that eventful day. I realized that the eighth graders in attendance were barely two years old on Sept. 11th and have no recollection of the tragedy our country experienced. Our young people need to know how significant this was in our country's history. For those of us whose memory is

etched with the events of that day, the hope is that the steel beam will bring us a little closer to those lost on 9/11.

It is our intention to build the steel beam memorial with donations from our residents. We are half way toward our goal. I trust you will find it in your heart to donate to the memorial. Details will be made available in this Newsletter and at Borough Hall.

At sunset we held our traditional candlelight vigil. I expected a much smaller turnout since the morning ceremony was so well attended. To my pleasant surprise, a large number of our residents came to remember our friends and family lost on 9/11. We had a special recognition of the two Allendale residents that had a significant part in our 9/11 Memorial. The names of Jason Delabruyere, who designed the Memorial and Mike Bertelli who was the sculptor were engraved on the 9/11 Memorial.

I want to thank everyone who was a part of a very special day. Allendale's Fire Department, Allendale Police Department, Allendale Volunteer Ambulance Corps, CERT team, bagpipers-Clan Na Vale, Highlands Voices, Henna Tiwary, Rohsler's Allendale Nursery, Holiday Observers, trumpeters Katie Van Orden & Nicholas Magro, Fr. Michael Allen, Pastor Rob Parker, Stiles Thomas, Sean Toolan, LCpl USMC and especially our DPW Department for making the site so beautiful.

On a final note, I want to thank Councilwoman Susan LaMonica for all she has given to Allendale. Susan has decided not to seek another term on the Council. During these past six years I have come to rely on her advice and counsel in many areas. Susan has been one of the hardest working Council members that I have had the privilege to work with. She was never afraid to make the tough decisions. In these difficult fiscal times Susan forged a financial model that was a major component in Allendale having three straight years of Zero municipal tax increases. We could not have done it without her. Personally, I will miss her!

Mayor Vince Barra
