GARBAGE COLLECTION

Suburban Disposal, under a contract with the municipality, performs curbside household garbage collection for both the EAST and WEST side of the Borough. The NJ Transit Railroad divides the Borough. No receptacles shall be set out prior to 6:00pm on the night before collection and shall be removed by 9:00pm on the day of collection. Please use containers no larger than 30 gallons. Please refrain from calling if your garbage is not collected by its "normal" time. A number of things, including weather, truck break downs, detours, etc. may occur that could detain the contractor from collecting the route. The contractor has until 6:00pm to finish the route.

WEST SIDE

Garbage Collection:

Mondays (place at curb before 7:00am) 2nd collection starts the week of May 23, and ends on the first week of September. Collection will be done Monday and Thursday.

Bulky Trash collection

2nd Wednesday of the month, place at curb before 7:00am

EAST SIDE

Garbage Collection:

Tuesdays (place at curb before 7:00am) 2nd collection starts the week of May 23, and ends on the first week of September. Collection will be done Tuesday and Friday.

Bulky Trash Collection:

1st Wednesday of the month, place at curb before 7:00am

- Accepted Bulky Trash Items are:**
- Furniture • Carpeting • Non-metal items
 - Window/mirrors/pane glass must be taped with an "X"

BOROUGH HOLIDAYS 2016

No collection will be done on the following days:

- New Year's Day 1/1
- Independence Day 7/4
- Thanksgiving 11/24-25
- Memorial Day 5/30
- Labor Day 9/5
- Christmas Day 12/25

If your regular collection is on a Borough holiday, your collection day will be the next day. For example Monday collection will be Tuesday, Tuesday collection will be Wednesday, and so on throughout the week.

RECYCLING CENTER

300 West Crescent Avenue

HOURS:

December 2015 – March 2016

Saturdays from 9:00am to 3:30pm

April 2016 through December 2016

Saturdays 9:00am to 5:00pm • Sundays 1:00pm to 5:00pm

Please check the Borough of Allendale website for updates and a **disposal guide** at www.allendalenj.gov. All recycling and garbage questions can be directed to Tatiana Marquis at publicworks@allendalenj.gov or 201-818-4410.

MOVING?

Gently used items can be donated. Visit the Borough website at www.allendalenj.gov for a listing of charities that accept these items. One month prior to closing, call 201 818-4410 to schedule a pick-up and we'll notify the contractor. This collection will coincide with your regular garbage collection. Items that are recyclable will not be collected. Please bring them to the Recycling Center. This is a **one-time** only collection, please schedule accordingly. There is a five piece limit on furniture.

COMPOST SITE

300 West Crescent Avenue

Hours: April 2016 through December 2016

Saturday 9:00am to 5:00pm

Sunday 1:00pm to 5:00pm

All grass, leaves and brush are accepted with a resident compost permit. Permits can be purchased at Borough Hall, Monday – Friday 9am – 4:30pm. Call 201-818-4400 ext 200 for more information. No plastic bags allowed, please use brown biodegradable bags or place in container to transport grass and leaves. **NO LANDSCAPERS OR CONTRACTORS** are allowed.

CUT-IT-AND-LEAVE-IT

Recycling your own grass is easy and saves you, and the town, money. Use a mulching lawnmower or replace the blade with a mulching blade. When you cut your grass, allow it to remain on the ground to be reabsorbed and provide vital nutrients to your grass. You save time by not having to bag the grass and transport it to the Compost Site. You won't have to use as much fertilizer and the cut grass helps reduce water evaporation so you use less water.

SCRAP METAL COLLECTION

The fourth (4th) Wednesday of the month for BOTH sides of the Borough.

Items acceptable for curbside metal collection are:

- Bicycles
- Refrigerators* remove the doors
- Washers and dryers
- Cast iron
- Radiators
- BBQ grills – minus the propane tank
- Anything that is at least 75% metal.

*appliances such as refrigerators, air conditioners, etc., containing "Freon or CDC's" must be certified that the Freon and CDC's have been removed by a certified person or vendor and that a sticker (supplied by the removal company) is attached to the appliance. This is required by law!

MESSAGE FROM THE FIRE CHIEF

With the cold weather upon us, and the beginning of the heating season, don't forget to change the batteries in your Smoke and Carbon Monoxide detectors to keep your family safe! A working detector greatly increases your chances of surviving a fire in your home or detecting a carbon monoxide leak. Here are some other important tips to consider:

- Dust or vacuum your smoke/CO detectors when changing the batteries.
- Test alarms once a month using the test button.
- Replace the entire alarm if it's more than 7 years old, or doesn't work properly when tested.
- Install smoke and CO alarms on every level of your home, including the basement, kitchen area, and outside of bedrooms.
- Make sure everyone in your home understands what the warning sounds of the alarms are.
- Develop an escape plan that includes where everyone will meet outside and what to bring in case of an emergency.
- If an alarm sounds, dial 911 immediately.

I would like to thank you in advance for your cooperation. With these simple and easy tips, the Borough of Allendale will remain a safe place to live.

The Allendale Fire Department is 100% volunteer, and we are always looking for new members. It doesn't matter if you have experience or are brand new to the job; there is always room for you in our department. If you have ever thought about becoming a firefighter and want to help out in the community, now is your chance to make it happen. This is great way to support the local community, assist your neighbors, and even prepare for a paid career in the fire service.

If you have any questions or concerns, please contact me directly at firechief@allendalnj.gov
Thank you, and stay safe!

Thomas Smith,
Chief of the Allendale Fire Department

MESSAGE FROM THE Borough of Allendale Water Department...

Please note that United Water
is becoming SUEZ.

This is a change in name only.
The address and phone number to
contact them remains the same.

ALLENDALE POLICE UPDATE

Allendale Police would like to remind residents about ordinance 252-81, which requires vehicles to be moved off the roadway when snow accumulations require plowing/removal. Specifically, it states "Whenever snow has fallen and the accumulation is such that plowing and/or snow removal will be required by the Borough, an emergency is deemed to exist and no vehicles shall be parked on any street or highway within the Borough. Such parking prohibition shall remain in effect after the snow has ceased until the streets have been plowed sufficiently and to the extent that parking will not interfere with the normal flow of traffic." Our DPW cannot properly clear the roads when cars are left on the street.

CERT NEWS

CERT is closing out one of the busiest years we've had in awhile. Thankfully, mother nature has been quiet and we haven't had the repeat of some of the larger storms that have kept us busy in falls past. That hasn't stopped the Team from participating in over 30 activities this year including classes, events, parades, ceremonies, drills, talks and meetings. Members were even on the news, participating in the Newark Airport Mass Casualty Event.

Thanks to the generosity of friends and neighbors, we were able to upgrade some much needed equipment allowing us to be safer and more effective. We hope to be able to equip all of the Team with the newer gear in 2016.

Working with amateur radio licensees from AVAC and AVFD, CERT has assisted in creating the Allendale Amateur Radio Club, generating a grant of radio equipment from the County.

The CERT Fall basic training class will graduate on December 2nd, with a new class starting sometime in March 2016. Please consider attending the Spring class, and joining our Team.

Contact allendalecertcoordinator@gmail.com with any questions.
