GARBAGE COLLECTION

Suburban Disposal, under a contract with the municipality, performs curbside household garbage collection for both the EAST and WEST side of the Borough. The NJ Transit Railroad divides the Borough. No receptacles shall be set out prior to 6:00pm on the night before collection and shall be removed by 9:00pm on the day of collection. Please use containers no larger than 30 gallons. Please refrain from calling if your garbage is not collected by its "normal" time. A number of things, including weather, truck break downs, detours, etc. may occur that could detain the contractor from collecting the route. The contractor has until 6:00pm to finish the route.

WEST SIDE

Garbage Collection:

Mondays (place at curb before 7:00am) 2nd collection starts the week of May 22, through the second week of September. Collection will be done Monday and Thursday.

Bulky Trash collection

2nd Wednesday of the month, place at curb before 7:00am

EAST SIDE

Garbage Collection:

Tuesdays (place at curb before 7:00am) 2nd collection starts the week of May 22, through the second week of September. Collection will be done Tuesday and Friday.

Bulky Trash Collection:

1st Wednesday of the month, place at curb before 7:00am

Accepted Bulky Trash items are:

- Furniture • Carpeting • Non-metal items
- Window/mirrors/pane glass must be taped with an "X"

Suburban picks up on some dates that the Borough is closed.

No collection will be done on the following days in 2017:

- **New Year's Day 1/1**
- **Independence Day 7/4**
- **Thanksgiving Day 11/23**
- **Memorial Day 5/29**
- **Labor Day 9/4**
- **Christmas Day 12/25**

If your regular collection is on a Borough holiday, your collection day will be the next day. For example Monday collection will be Tuesday, Tuesday collection will be Wednesday, and so on throughout the week.

HOURS:

December 2016 – March 2017

Saturdays from 9:00am to 3:30pm

April 2017 through December 2017

Saturdays 9:00am to 5:00pm • Sundays 1:00pm to 5:00pm

Please check the Borough of Allendale website for updates and a **disposal guide** at www.allendalenj.gov. All recycling and garbage questions can be directed to Tatiana Marquis at publicworks@allendalenj.gov or 201-818-4410.

MOVING?

Gently used items can be donated. Visit the Borough website at www.allendalenj.gov for a listing of charities that accept these items. One month prior to closing, call 201-818-4410 to schedule a pick-up and we'll notify the contractor. This collection will coincide with your regular garbage collection. Items that are recyclable will not be collected. Please bring them to the Recycling Center. This is a **one-time** only collection, please schedule accordingly. There is a five piece limit on furniture.

COMPOST SITE

300 West Crescent Avenue

Hours: April 1, 2017 through December 17, 2017

Saturday 9:00am to 5:00pm

Sunday 1:00pm to 5:00pm

All grass, leaves and brush are accepted with a resident compost permit. Permits can be purchased at Borough Hall, Monday – Friday 9am – 4:30pm. Call 201-818-4400 ext 200 for more information. No plastic bags allowed, please use brown biodegradable bags or place in container to transport grass and leaves. **NO LANDSCAPERS OR CONTRACTORS** are allowed.

CUT-IT-AND-LEAVE-IT

Recycling your own grass is easy and saves you, and the town, money. Use a mulching lawnmower or replace the blade with a mulching blade. When you cut your grass, allow it to remain on the ground to be reabsorbed and provide vital nutrients to your grass. You save time by not having to bag the grass and transport it to the Compost Site. You won't have to use as much fertilizer and the cut grass helps reduce water evaporation so you use less water.

SCRAP METAL COLLECTION

The fourth (4th) Wednesday of the month for BOTH sides of the Borough.

Items acceptable for curbside metal collection are:

- Bicycles
- Refrigerators* remove the doors
- Washers and dryers
- Cast iron
- Radiators
- BBQ grills – minus the propane tank
- Anything that is at least 75% metal.

*Appliances such as refrigerators, air conditioners, etc., containing "Freon or CDC's" must be certified that the Freon and CDC's have been removed by a certified person or vendor and that a sticker (supplied by the removal company) is attached to the appliance. This is required by law!

MESSAGE FROM THE WATER DEPT

The Borough of Allendale's elevated water storage tank rehabilitation project has been completed. We thank our residents for their patience and cooperation during this major renovation project. Due to the ongoing extreme drought conditions, Phase 2 water restrictions will remain in effect until further notice. Check the website for any updates at www.allendalenj.gov

Please continue to use water prudently and conserve water whenever possible. Thank you.

**SUEZ CUSTOMER SERVICE
(855) 367-6708**

Last year Allendale's recycling was at 25% of household waste, which is up from prior years. Not only do we receive revenue from our recycle company... we also pay less in tipping fees from our garbage collector! This is a win win for Allendale. Thank you to all our residents and keep on recycling!!

2017 CHRISTMAS TREE PICK-UP SCHEDULE

WEST SIDE

January 3 through January 6
January 16 through January 20

EAST SIDE

January 23 through January 27

ALLENDALE POLICE REMINDER

Residents are reminded that parking is prohibited on all streets and municipal lots from 3AM to 5AM, and any time there is sufficient snow fall for the Borough's plows to be operating.

The Police Department suggests residents with luxury and high performance vehicles check their owner's manuals and determine if the original equipment tires on their vehicles are suitable for winter driving regardless of options such as four wheel or all-wheel drive.

High performance vehicle tires are many times summer rated only and below 40 degrees lose a noticeable percentage of traction as their tread compound rubber properties change from a pliable elastic to inflexible plastic. If driving in wintery conditions, vehicles should be equipped only with all season tires or winter tires. In severe storms, the safest practice is to refrain from driving. For residents that must go out in severe storms, their vehicles should have winter tires, designated by the tire industry with a "mountain snowflake" legend on the sidewall. For information about winter tires, internet search the term "mountain snowflake".

In the event of a motor vehicle crash on snow covered roads, the State of New Jersey crash report form does not recognize winter conditions as an attributable fault for a crash. Officers handling the crash investigations during snow storms, and New Jersey insurance companies, will attribute crash fault back to the driver for either improperly equipped vehicle for storm conditions, such as one with summer tires, or unsafe speed for road conditions.

For additional information call Traffic Sgt. Todd A. Griffith at Police Headquarters. at (201) 825-1900

CERT NEWS

Thankfully, 2016 spared our area widespread weather events and power outages. CERT remained busy supporting local events and presentations while training at the State and County level. Various Bergen County CERT Teams, including Allendale's, have been training closely with County Department of Health officials, focusing on sheltering, shelter management and point of distribution procedures in case of emergencies or disasters. Allendale CERT members, working with the American Red Cross, evaluated local facilities for use as shelters, leading to Red Cross designated status for some facilities should the need arise.

Fall 2016 CERT Basic class 16-3 graduated four Allendale residents this cycle. This FREE, no obligation course is a FEMA created curriculum that includes Disaster Preparedness, Fire Suppression, Medical Operations, Light Search & Rescue, Incident Command System, Terrorism Awareness and Disaster Psychology. Ongoing training builds upon these basics. Allendale's CERT routinely trains with other municipal CERTs, as well as County and State OEM agencies.
