Price Five Cents

Cub Scout Pansy Sale To Open Tomorrow

Spring came officially last Friday for most of the country, but in Allendale the season won't really be official until tomorrow when the Cub Scouts canvass the town taking orders for boxes of pansies.

The same large flowered pansies sold in two quart boxes for fifty cents will be offered again this by the Cub Scouts who plan to make this drive a means of making the money needed to pay Pack operating expenses for the year.

Tomorrow morning a campaign "Kick-Off" meeting will be held at the Ball park at 9:30. At the meeting Cubs will be given their order forms and instructions as to how the campaign will be handled.

At the conclusion of the meeting, the Cubs will solicit on a town wide basis until April 6. After that date a systematic block by block canvass will be worked by each Den under the supervision of Den Mothers in order that every home in the borough be visited.

The pansies will be delivered either April 11, or April 18, depending upon growing conditions of the flowers.

J. B. Monaghan, chairman of the drive, announces that three individual awards will be given for the Cub selling the 1st, 2nd and 3rd largest number of boxes. Special merit prizes will also be awarded. There will be a prize to the den with the largest sales per boy. These figures will be based on the actual number of boxes sold and paid for. Last year 1,700 boxes—more than 32 boxes per boy were sold. A goal of 1,800 boxes has been set for this year.

LITTLE LEAGUE TRYOUTS HERE AT REC. PARK

The Allendale Athletic Association has announced that initial try-outs for Little League play will be held tomorrow. Two sessions will be held, one at 9 a.m. and one at 2 p.m., both at Recreation Park.

All Allendale boys in the 8 to 12 year age group who are interested in Little League play should report to Coach Bob Brinker at the Park. In order to be eligible boys must not have reached their 13th birthday before August 1, 1953.

The Allendale Athletic Association which supervises Little League play in Allendale plans this year to have three teams, a major team and a minor team in the Ramapo Little League as well as a Tiny Tim team for boys in the 8 and 9 year age group. This will afford an opportunity for more boys to play with an organized team and it is expected that competition will be keen among boys seeking a berth on the respective teams.

Mrs. Maude Connelly and grandson Bobby Kunisch returned Monday evening from a six weeks vacation in Florida.

BARBARA WALTER INJURED AT FORT LEE STABLE

Barbara Walter, daughter of Mr. and Mrs. Fred Walter, 1 Cottage Place, was seriously injured on Monday in an accident that occurred at a Ft. Lee riding stable. At the time Barbara was practice jumping with her horse and fell.

She was taken unconscious to the Englewood Hospital. The hospital reports her present condition to be fair and that she is resting comfortably.

RAMSEY BOY BITTEN BY DOG

Kenneth Palmer, 10, 49 Nottingham Rd., Ramsey was bitten by a black dog owned by Mrs. B. McNally, 896 Franklin Turnpike, Sunday afternoon.

Kenneth's mother, Mrs. E. A. Palmer, reported that Kenneth was riding his bicycle on Franklin Turnpike with Bryan Klaska when the dog suddenly ran onto the highway and bit Kenneth in the calf of his leg. The police took Kenneth to Dr. Frederick Kanning for medical treatment.

Mrs. Palmer reported that Kenneth was feeling well and had gone to school on Monday. She said that this was the second dog bite Kenneth had received. He was bit once last summer.

These two incidents evidently have not frightened young Kenneth. "He still loves dogs," his Mother reported.

ZION CHOIR TO PRESENT CANTATA

A choir of 22 voices will present Theadore Dubois' "The Seven Last Words" at Zion Lutheran Church, Saddle River on Good Friday, April 3 at 8 p.m.

The choir will consist of: Sopranos; Lela S. Blauvelt, Iza Feudtner, Marjorie Hoar, Rhea Boerner, Edna Minck, Amy Ranzau, Lucy Kylo, Elaine Smallheer, Netie Brockhuizen, Catherine Ott, Elsie Orr, Beatrice Bottum. Altos; Esther M. Kanning, Anne Walter, Margaret Burke. Tenors, Frederick Smedley, H. Ford Perine, M. A. Kenyon. Basses; Wilmer McLaughlin, Frederic Oberlander, R. H. Kelly, Albert Hahn. Mrs. H. Ford Perine will direct and preside at the organ.

Mrs. Walter Kunisch, Maple St., was named by the PTA last Wednesday night to investigate the possibilities of a bicycle safety program for the youngsters of Allendale. Mrs. Kunisch will find out what other communities in this area are doing about bicycle safety and report to the PTA at their next regular meeting in April.

DONORS NEEDED FROM ALLENDALE TO MEET QUOTA

"The people of Allendale are just going to have to roll up their sleeves in larger numbers than ever before and donate blood, if the Ramapo Valley Chapter of the Red Cross is to meet its quota," said Mrs. W. B. Quaintance, chairman of the blood donor drive.

Mrs. Quaintance announced that the Bloodmobile will be at the Municipal Building in Waldwick on Tuesday, April 7, for contributions. She also said that every effort would be made to get a large number of appointments made from Allendale because the need is increased, and there have been times in the past when the number of donors from the borough has been disappointingly small.

One telephone committee has already been set up by the Junior Woman's Club. These women will make personal calls to residents urging them to sign up for an appointment on April 7. Mrs. Brunson Williams will head the committee and will be assisted by Mrs. Lewis Fallon and Mrs. Joseph Dixon.

Our quota has been increased to 150 pints, Mrs. Quaintance said, and this means that at least 250 people should be signed up.

Allendale donors may register at the Stiles Thomas Agency, 74 W. Allendale Ave.; by calling Mrs. H. C. Perkins (Allendale 1-3404R) or by calling Mrs. Quaintance (Allendale 1-4285).

EASTER SEALS SELLING GOOD

At the half-way mark in the 1953 Easter Seal campaign for the Cerebral Palsy Center in Ridgewood, mail receipts are running close to 50 percent of the \$50,000 quota, far ahead of the mid-way point in the drive last year.

Mrs. Raymond T. Mook, treasurer, reported that returns this week total \$21,187.32 representing contributions from 11,776 persons receiving Easter Seals in the mail prior to the opening of the drive March 5. If this general pattern continues, it is safe to predict that the goal will be reached, she said.

Another highlight of the current campaign is the notably heavier response during the first two weeks both in the number and amount of contributions.

"Though first reports are encouraging, there remains the fact that less than one-tenth of the recipients have made returns," Mrs. Mook observed. "The campaign committee having sent out 130,000 appeal letters." She stressed the importance of mailing contributions to the Center as soon as possible so that a definite figure can be established promptly at the close of the campaign on Easter Sunday.

Whether or not a contribution is made, Seals should not be returned to the Center. Mrs. Mook said that this involves

Dean Good Faces Charge of Cruelty on Death of Dog

Mrs. T. F. Currens, W. Crescent Avenue, President of the Animal Protective League, signed a complaint in criminal court in Hackensack against Dean Good of W. Maple Street following the death of a dog owned by Mr. Good. The complaint was based on

CLIFTON DRIVER LOSES LICENSE

Careless driving charges served by Officer Frank Parenti against Robert Dykstra of Saddle River who drove through the borough at 85 miles per hour and was chased by police to Saddle River, were dropped at Magistrates Court held Tuesday evening. Mr. Dykstra had been picked up by Army officials at 10:30 a.m. Tuesday morning and taken into custody at Newark Army station.

Edward J. Baker of Clifton pled guilty to the charge of having been involved in a two car race through the downtown business section and on Myrtle Avenue going from 50 to 55 miles per hour. Officer Parenti charged him with careless driving, for not having stopped at the stop sign at the corner of Myrtle Avenue and Crescent Avenue and for driving without an automobile registration.

Judge Morris Scharf fined him \$15 plus \$3 court costs for speeding and \$5 plus \$3 costs for not stopping at a stop sign. Baker's license was suspended for 30 days. This marked the third appearance for Baker in a traffic court this year.

HARRY GOODRICH JR. AT FORT DIX FOR BASIC TRAINING

Private Harry W. Goodrich of East Allendale Ave., has arrived at Fort Dix, N. J., and has been assigned to C Battery 84 FA. Bn. of the 9th Infantry Division for eight weeks of Basic Training.

Private Goodrich is the son of Rev. and Mrs. Harry W. Goodrich.

Prior to entering the service, Private Goodrich attended Ramsey High School.

He was formerly employed by Dean Benson Research.

During his training he will receive instruction in general military subjects, infantry weapons and tactics as well as a character guidance program which is under the supervision of the Post Chaplain. After completing this phase of training, he will be assigned to a Specialist's School for another eight weeks.

FIRE OUT WHEN FIREMEN ARRIVE

The firemen had a practice run Sunday afternoon in answer to a call from the residence of Al Grossmann, 86 W. Allendale Avenue.

The Grossmann's son "Bud" was burning leaves in the back of the house when the fire he was tending appeared to get out of control. Mrs. Grossmann called the fire department immediately. (Please Turn to Page Six)

an autopsy which Mrs. Currens said showed that the dog died of malnutrition and dehydration.

A warrant for the arrest of Mr. Good was served by Police Chief Robert Wilson Wednesday morning. Mr. Good was released in \$100 bail.

The Society for the Prevention of Cruelty to Animals has been named official plaintiff in the case because state law requires that the SPCA be the official agency for prosecuting such cases. Mrs. Currens will serve as a witness.

Mrs. Currens reported that she became interested in the case after she received three complaints in regards to the white English bull dog owned by Mr. Good.

The first, she said, came from a woman who complained of the dog barking excessively. Mrs. Currens said she suggested the matter be taken up with the police.

The second complaint received by the Animal Protective League came from a man who asked that the case be investigated. Mrs. Currens recommended an anonymous letter be written to the Goods suggesting changes in the care being given the dog.

The third complaint, received last Saturday morning, was the one she acted upon. She reported that she went to the Goods residence and was informed by Mrs. Good that the dog had died two days before.

Mrs. Currens said she asked to see the dog and was taken to the garage by Mrs. Good where she pointed out the body of the dog in his box. Mrs. Currens reports that she took the dog immediately to a veterinarian, who officially pronounced the dog dead and upon request for an autopsy by Mrs. Currens said that the dog had died of malnutrition and dehydration.

Date for court hearing on the case has not yet been set.

FIREMEN SET FIRE TO MALLINSON ST. SHED FOR PRACTICE

The Volunteer firemen turned self-appointed firebugs Sunday morning by setting fire to a shed on Mallinson St. which belonged to William Wolfersberger, and burned it to the ground.

Mr. Wolfersberger had donated the shed to Civil Defense drill practice and it had been partially burned during the last Air Raid drill.

The firemen completed the job Sunday in order to completely remove the ramschackled building.

School Notes

KINDERGARTEN MRS. BAXTER

Another one of our group, Dorothy Farnan, has had her tonsils removed. We hope she will be back with us soon.

Howard and Richard Norris, our twins, and Joe Chopek are going to celebrate their birthdays in school, so it will be a gay week.

A few weeks ago Casey Dailley gave us two guppies and they are getting along fine. Last week Jay Ritter brought a tropical turtle to stay with us and Anne Wattles brought a gold fish. Now we have quite a family.

We have had lots of fun lately acting out Mother Goose Rhymes. We are going to try to do some of our stories too.

GRADE THREE MRS. AMOS

We were happy to receive postcards from Robert Kunnisch who is vacationing in Florida with his grandmother. We miss him but we are glad he is having such a fine time.

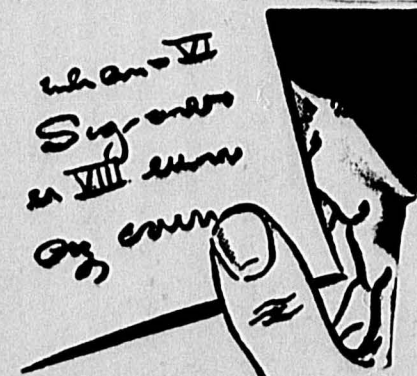

We saw two films recently 'Our National Anthem' and 'Dairy Farms.' The farm film was the beginning of our farm unit we are now working on.

We studied about Holland and found it a very interesting country. We drew windmills, tulips, and Dutch boys and girls. We learned three Dutch songs and a poem. Many interesting Dutch articles were brought to school for us to see such as: wooden shoes, windmills, Dutch dolls, books, aprons, caps, spoons and cookie jar by Anne Cebak, Mary Jane Corey, Louise Preuschhoff, Willem Waibel, Margaret Asp, Mary Bouton, Peggy Parkhill and Patricia Olson.

Celebrating birthdays this month are Margaret Asp, Mary Bouton and Susan Rickerich.

EIGHTH GRADE MRS. LA ROE

This marking period Mr.

Mantell of the Ramsey High School came to our school on March the second and third and gave us our aptitude tests.

On February the 27th the eighth grade mothers had a tea in the Allendale Public School. They talked on such things as the preparation for graduation and the college preparatory courses their children had chosen.

In Geography we have just finished an African trip and are started on our outline of Canada.

In arithmetic and in history we have just completed our three month projects.

In literature we are giving our

al book reports. We find them very enjoyable.

In English we have written original poems, some of which sound professional.

Finally, in art we have finished fingerpainting; we have turned out some very good pieces of work and have gone on to perspective drawing.— Reported by Frank Vogt and Ray Murray.

The borough of Pine Hill, New Jersey, serves free cake and coffee to every citizen who attends council meetings.

NATURE GROUP TO HEAR ABOUT SNAKES

A study of snakes presented by Mrs. R. D. Coombs of Paramus will be the program for the March meeting of the Fyke Nature Association to be held Friday evening, March 27, in the Ramsey Borough hall. Particularly appropriate for this time of year, especially for those who plan to do much hiking during the coming months, is a study of snakes since it is now that they are becoming active after winter hibernation.

As usual, the Fyke Nature Association urges all persons in the vicinity who are interested in this program to attend their meetings.

During a field trip last week-end to ponds in this vicinity Fyke members located a number of species of migrating ducks including Buffleheads, Golden-eyes, and American Mergansers and Ring-necked. Plans for April field trips will be announced at the next meeting.

SUPPORT THE HEART FUND

Ramsey Rally tonight. We will meet at Archer Hall, 7 p.m. in uniform with sneakers necessary equipment for contests. Every scout is expected to be there. You will be transported in cars and returned in same.

Patrol meeting will be very necessary this week to finish rehearsals for contests.

Apache Patrol Leader, Jerry Davis, is in charge of compass contests for Troop 59.

Cobra Patrol Leader Dick Kanning, will handle the rope many ways. Scouts passed a

Homemade Lemon Fruit-Jells (Candy)

A VISIT TO THE STORE for candy used to be one of the biggest treats in our young lives—and children today cherish the same connection. So why not make some Lemon Fruit-Jells so the little ones can have this treat more often?

It's no trouble at all, and you can make Lemon Fruit-Jells in less than fifteen minutes. The secret is liquid fruit pectin that makes the consistency of this candy even and smooth. You don't have to beat it or worry about crystallization. Try it and see!

LEMON FRUIT-JELLS CANDY
Yield: about 5 dozen candies (1 1/4 lbs.)

1 bottle liquid fruit pectin 1 cup light corn syrup
1/2 teaspoon soda Yellow food coloring
1 cup sugar 2 teaspoons lemon extract

Pour liquid fruit pectin into 2-quart saucepan. Stir in sod (Pectin will foam as soda is added). Mix sugar and corn syrup in another saucepan. Place both saucepans over highest heat. Cook both mixtures, stirring alternately, until foam has disappeared from pectin mixture and sugar mixture is boiling rapidly. (This takes about 3 to 5 minutes.)

Pour pectin mixture in a slow, steady stream into boiling sugar mixture, stirring constantly. Boil and stir 1 minute longer. Remove from heat. Stir in about 10 drops of coloring and lemon extract. Pour immediately into 8x8-inch pan. (Or use 8-inch pie pan or round layer pan, or 9 1/2x5 1/2 or 10x16-inch loaf pan.) Let stand at room temperature until mixture is firm and cool (about 3 hours). Cut into 3/4-inch squares and roll in granulated sugar.

Note: If candies are to be stored or packaged, let stand overnight at room temperature before storing, to prevent weeping. (ANS)

COUNTY HEAD AT AUX. MEETING

The County President of the American Legion Auxiliary, Mrs. A. L. Eberle, visited the regular meeting of the Allendale Auxiliary held last week at the War Memorial building.

Mrs. Eberle told of recent visits to the veteran's hospitals in Morris Plains and Lions. She also reported that more than 23,000 pairs of old nylon stockings had been donated to raise money for the purchase of a television set for Graystone Veterans Hospital.

Mrs. James Perry read a short statement on the founding of the American Legion which occurred in March, 1919. The organization she said started in Paris following World War I and is today the largest and most influential of all veterans groups.

Another guest at the meeting was Mrs. Anthony LaMarco

Hostesses for the meeting were Mrs. Anthony Donowski and Mrs. William Smith. Others who attended were Mrs. Fred Hegerman, Mrs. Ernest Arlt, Mrs. Archie Gamble, Mrs. Jake Kaplan, Mrs. Carl Wehner, Mrs. John Fox, Mrs. Harvey Davis and Mrs. Harold Borgardus.

IT'S EASY TO REPORT A FIRE

It has come to the attention of The Allendale Press that the Volunteer Fire Department would be able to do a better job of fire protection if fires were reported properly. The procedure is very simple. Call the center and say "I want to report a fire."

Specify your locality and telephone number and remain at the telephone until the desk Marshal can be contacted.

When the operator puts your call through to the Desk Marshal, speak slowly and clearly, giving your own name, the location of the fire, and a description of the fire that you are reporting.

This will enable the fire department to report to the scene of the fire in a minimum of time with the necessary men and equipment to properly handle the emergency.

REMEMBER: Don't hang up the telephone until you have talked with the Desk Marshal.

LIONISM SUBJECT OF CLUBS' TALK

"The Objectives of Lionism" were discussed by Arthur Otten, District Governor of the Lions Club, at the meeting of the Allendale Lion's Club last Thursday evening.

Following the talk, Stiles Thomas was presented with a key award for being the first member of the organization to bring in two new members.

It was announced also at the meeting that Mrs. Mary Grogan was the recipient of the monthly 50-50 award.

Post 204 of the American Legion held its regular meeting Wednesday night at the War Memorial Building. Plans were discussed for future Legion activities.

From The Inside Looking Out

For the past 20 months since the Valley Hospital was formally dedicated we have been carrying stories about the institution but all from the outside looking in. Well this one is different, this is from the inside looking out.

Since last Friday your editor has been a guest here and while I can't recommend it for anybody well, if you are in need of hospitalization this place is the tops. Everything is so clean and efficient. From the time you sign in with the pleasant receptionist and are whisked to your room on the second floor, and bid an embarrassed good bye to the little woman, you have a feeling of friendliness that helps so much to get over that feeling of being scared.

The nurses here are tops. They never seem too busy to care for your smallest wishes. Laughter comes easy and yet they can be as tender as a mother. We overheard a few talking the other day, and as one nurse said, "Where would a hospital be without nurses?" That's right and I might add, where would the patients be too?

Naturally there are some things patients don't understand and one thing that has me stumped is the cute little trick of taking your temperature at the drop of the hat, especially that 6 a.m. nurse. She couldn't drop her hat, it's so darn tiny. What keeps it on is another mystery.

The grounds that surround the hospital and the beautiful solarium add their bit to the well being of the patients. I have been fortunate enough to be up and around almost all the time and have enjoyed the television and other gadgets that help to pass the days and long nights.

The food is excellent and Mr. Godfrey should be happy to know I have been converted to like tea. Tetleys at that. I miss my 10 a.m. coffee with Art Lutton of course but the cute nurse serves us juices and she is a lot prettier than Art.

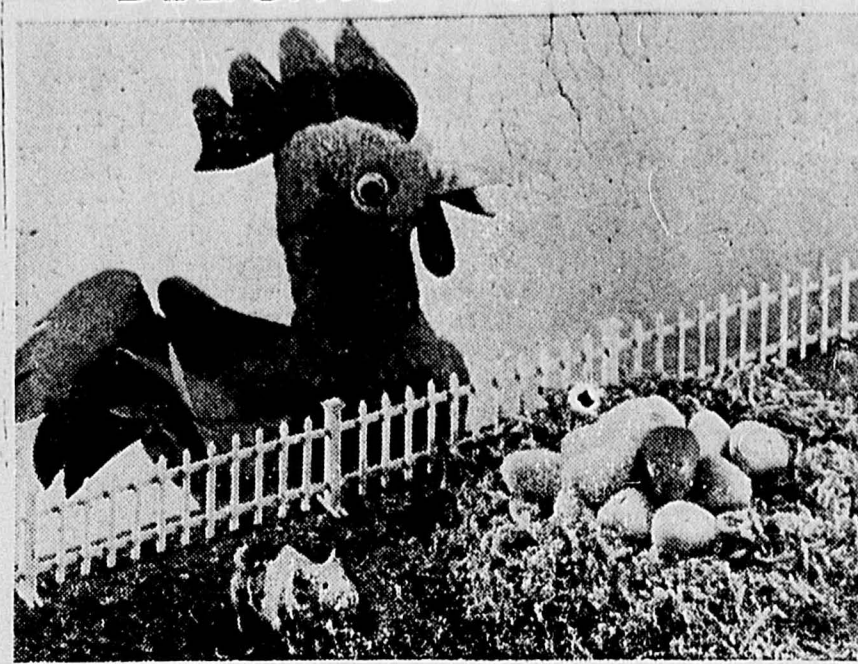

Besides the nurses there are the Grey Ladies, who seem to want to help you get well by their many little kind acts. Then the "Ladies of the Auxiliary." They give you a cheery smile, move your bed, adjust the lights and the many other details that make your stay here as pleasant as possible. After 3 o'clock the "Nightingale's" descend on you and finish up the day of friendly service by their many gestures that just about kill you with kindness.

Allendale seems to be well represented here with Bill Ackerman a nearby patient. His friends will be happy to know he is getting along fine. Dr. Kanning and Dr. Schultz both have patients here so it seems like home at that.

When this is written I am not sure of how long my incarceration is for but hope it will end soon. For some reason or other doctors are not impressed with the need for being on the job to get this masterpiece into type and on paper but we have our fingers crossed and if you will do the same who knows we may be back peddling our papers real soon.

EDIBLE EASTER NEST DELIGHTS YOUNGSTERS

SURPRISE THE YOUNGSTERS EASTER MORN with an Easter nest that can be eaten! Fill it with gay, colored eggs and use it as a centerpiece on the Easter breakfast table. Then, later in the day he whole family will enjoy its crunchly goodness. Made from whole-corn soya shreds cereal combined with a sweet syrup mixture, the nest is golden-brown in color, crunchly in texture and very laversome. Just the combination we all like!

EDIBLE EASTER NEST 1/2 cup sugar 1/2 cup brown sugar 1/2 cup dark corn syrup 1/4 teaspoon salt 6 tablespoons water 1 tablespoon butter or margarine 2 1/4 cups corn soya shreds Combine sugars, corn syrup, salt, water and butter. Cook, stirring until sugar is dissolved. Continue cooking, stirring only to prevent burning, until temperature of (245° F.) is reached (cold water test; firm ball but not hard). Remove from heat, add corn soya shreds and mix thoroughly. Turn out on a greased surface and shape into a nest. Fill with colored Easter eggs. Yield: 1 large nest. (ANS Features)

VOC. SCHOOL OFFERS CUSTODIAN COURSES

A special course for school custodians is being held at the Bergen County Vocational and Technical High School, Hackensack Avenue, Hackensack, with an enrollment of 73 school custodians from communities throughout the county.

The course, which was begun February 28, will consist of ten Saturday morning periods, of three hours each. Half of the time will be devoted to boiler room practice in the vocational school's boiler room. This unusual "shop" has five different types of boilers and it is the only school installation of its kind in the east. Sessions in care of grounds, minor electrical repairs, carpentry and indoor cleaning also will be included in the custodial course.

The local Boards of Education in the county communities have taken care of the cost of registration for the school custodians enrolled in the course.

HOUSE TO HOUSE DRIVE FOR CANCER TO BEGIN APRIL 11

Establishment of a Loan Closet, which provides necessities for indigent cancer patients, has been a blessing for many, who are suffering from cancer, according to Mrs. C. W. Parsons, 151 E. INSURANCE SERVICE INAUGURATED HERE

Mr. Fred Peters has opened his office at 86 W. Allendale Avenue to serve the residents of this area with a unique service for life insurance problems. Mr. Peters, with 23 years of experience in life insurance is a resident of Allendale residing at 228 Hillside Avenue.

Realizing that most owners of policies do not know all the benefits and shortcomings of their present policies, he hopes to bring their present policies up to date by a review of them and correct any mistakes that occur with changing conditions. In an interview, Mr. Peters said, "75 per cent of all estates are made up of life insurance policies and it is important that these be the proper type to best serve the needs of the individuals."

Mr. Peters, besides his life insurance knowledge was an investment broker with a Wall St. concern for 10 years. During World War 2 he served as an administrator for the O.P. A and is a member of the Kiwanis of North Bergen, N. J.

BARBARA BULHMAN GIVEN SCHOLARSHIP

On March 7, 1953, Fairleigh Dickinson College of Rutherford held competitive examinations for science scholarships. Barbara Bulhman of Allendale a student at Ramsey High School, was awarded a chemistry scholarship, renewable each year, at \$300.00 a year.

OPEN MONDAY AND THURSDAY EVENINGS

7 To 9

BIG NIGHT FOR CUBS TONIGHT

Cub Scouts who attend the Mardi Gras being held this evening in Archer Hall are in for a fun packed evening, according to Norman Lane, chairman of the carnival.

The Hall will be decorated with gayly colored streamers and balloons and confetti. There will be booths to test skills (one in particular will test the accuracy of a wet sponge thrown at a face in the center of a curtain). A side show has been arranged and a costume parade will be staged. And there will be soda pop and refreshments for all.

The theme of the Cubs for March is Mardi Gras and local leaders decided to give the idea the full treatment.

One of the main events will be the release of thirty balloons. Eight of them will have lucky slips inside which entitle the holder to 25 cents. The committee appropriately named the event the Grand Scramble.

Another feature of the evening will be the presentation of awards earned at the Kite Derby held recently. Bill Bartle and Joseph Schultz will be given the prize their kite won for height and distance. Kevin Anderson will be presented with the novelty and design award.

The loud speaker system arranged by William Bailey will provide rousing band music throughout the evening.

Members of the committee in charge of the program include William Bartle, decorations; George Liming, refreshments; John Michner, master of ceremonies; and Cub Master Don Anderson who will preside.

Parents are invited to attend. The festivities start at 7:30 p.m.

HONOR ROLL OF RAMSEY HI. SCHOOL

Ramsey High School has released the honor roll for the fourth marking period. It showed one pupil from Allendale listed in the highest honor and eight pupils from Allendale listed with honors. The highest honor and honor students from Allendale follows.

Highest honor—John Koole. High Honor—Marianne Buckholtz, Barbara Buhlman, Sandra Critchely, Jeffrey Crothers, Walter Dunsby, Beth Goodrich, Roger Hampson, and Richard Ivany.

LOW FAMILY HOME AFTER VACATION

Mr. and Mrs. L. E. Low, 1 Midwood Avenue, and their three daughters returned last week from a month's vacation in Florida. Gail Cauwenberghs, also of Midwood Avenue, accompanied them on the trip.

Mr. Low, an expert Comet sailor (a comet is a 16 foot sailing vessel with two sails), brought back three place winnings in races held in Miami area. Mrs. Low reported that winning is not a new experience for her husband for he has won similar awards for a number of years.

However, this year he won the Midwinter Comet Regatta held at the Coconut Grove Yacht Club, he took second at the races held at Biscayne Bay Yacht Club and brought back a third prize from the Miami Yacht Club races.

So that no last-minute Easter shopper will be caught short of cash during the Easter weekend, F. Merrick Fuller, president of the Bergen County Bankers Association, has issued a statement reminding people to do their banking before Friday next week. Good Friday, April 3, is a legal holiday and must be observed by all banks in New Jersey.

The coming week is a holy one for many religions and members of the Bergen County Bankers Association are publishing advertisements next week urging people to attend the church of their choice.

LIBRARY GROUP VISIT PUBLISHER

The Library Council of the Ramsey High School, accompanied by Miss Naomi C. Jay, librarian, went on a field trip to New York recently. In the morning the group visited the H. W. Wilson Company, the publishers of "Readers' Guide to Periodical Literature" and other library indexes.

A matinee performance of a stage show was enjoyed in the afternoon. Students attending were: Carol Adler, Janet Baker, Barbara Berish, Roslyn Buchler, Joanne Burn, Carol Comstock, Edna Cordes, Linda Dean, Denise deFallot, Carole Dugonics, Joan Dombroski, Phyllis Haden, Suzanne Hovey, Gretchen Hiedi, Lynn Jackson, Betty Kobbe, Elise Koehler, Joan Long, Bernice Luckese, Helen Marciniak, Janice Perkins, Billie Price, Sophie Prokop, Barbara Ricardo, Lucille Saputo, Janet Smith, Patricia Smith, Sandra Smith, Carol Stephens, Peggy Snyder, Betty Spiech, Marlene Walsh, Frances Wilder, and Carolyn

GIRL SCOUT SHOW WELL ATTENDED

The benefit performance of "Hansel and Gretel" given recently at the Allendale public school under the auspices of the Girl Scouts, was reported to be a most successful and enjoyable evening for all concerned.

A net profit of \$160 was reported by Mrs. George P. Lott, Jr., chairman, who said that the money would be turned over to Holland Relief. An estimated audience of 400 attended the operetta.

One of the high points of the performance was the pantomime done by 14 Girl Scouts who were angels during the dream sequence in the third act. The girls were trained by Mrs. Katherine Edson, director, and turned in a most effective performance with a minimum of rehearsal necessary.

COMPLETE PLANS FOR DINNER-DANCE

Final arrangements for the alumni dinner dance of the Ramsey High School class of 1943 were made Saturday night. The committee, with chairman Robert Meyerdieks of Saddle River, met at the home of Mr. and Mrs. L. T. Goodman Jr., of 23 Wanamaker Avenue, Mahwah.

The dinner dance will be held Saturday, May 23, at the Ridgewood Elks Club. The affair will get underway at 7 p. m. and there will be a four piece orchestra to furnish music for dancing.

Letters to all class members with tickets and information enclosed will be mailed next week.

FIRE OUT

Continued From Page 1
mediately because of the danger of the fire spreading to the Christopher Lumber yard.

In the meantime however, Bud attached the garden hose and put out the fire himself. By the time the firemen arrived, the blaze was extinguished.

EASTER SEAL

Continued From Page 1
extra work for the mail receipts committee. She suggests that recipients keep the Seals and use them in business or social correspondence.

The treasurer noted that many had enclosed letters with their contributions stating their recognition of the valuable service the Center is offering to Bergen County's crippled children and regretting that their donations could not be larger.

Mail receipts are being tabulated in the board room of the North Jersey Trust Company in Ridgewood through courtesy of bank officials. A large group of women interested in the Cerebral Palsy Center's program have volunteered for this work. All are volunteers including Mrs. Mook.
