Home of M. Christopher Entered; Loss Unknown

The first case of a home being broken into to occur in Allendale happened sometime between Tuesday and Wednesday night at the home of Mr. Murad Christopher of 625 Franklin Turnpike.

Entry into the Christopher home was gained by the thieves breaking a basement window, unlocking the frame and climbing through. The home was ransacked from top to bottom and how much money or other valuables were taken is still unknown as the Christophers are away in New England purchasing lumber. The theft was discovered when their son, Olin came to attend the fire as was his practice every night around six. The thieves, it is believed that at least two were responsible, were evidently not experienced as they left envelopes that contained money collected from Mr. Christopher's rentals untouched.

Chief Wilson and Sgt. Ryan of the Morristown State police secured several prints inside the home as well as a cast of footprints in the soft earth. Several suspects are under surveillance by the local police.

Chief Wilson asked the cooperation of homeowners to report any suspicious persons in the neighborhood or strange sounds to be reported to the police at once. He asked homeowners to close and lock all doors and to close garage doors when the owners are away for an evening and to leave a light burning up and downstairs. He said "Nearby towns have had a series of robberies and we certainly don't want to encourage anything like that in Allendale."

The last case of illegal entry occurred last year when thieves broke into the Christopher Lumber yard on Crescent Avenue and broke open the safe. The offender was never apprehended.

LITTLE LEAGUE ASK PARENTS TO ATTEND SPECIAL MEETING

Fathers and Mothers of members of the Allendale Little League are invited to a special meeting at the firehouse on Wednesday evening at 8:30.

The meeting will be turned over to a discussion of this year's plans for the League and election of officers.

Coach Bob Brinker, with the help of a number of fathers, has been coaching 50 boys on Saturday mornings. League members are between the age of 7 and 12.

It is reported that the response shown this year to the opening of the baseball season has been more enthusiastic than ever.

HORSE SHOW TO RAISE FUNDS FOR HEART FUND

The proceeds from the summer horse show being planned by the Horse and Pony League will be given to the National Heart Fund this year, it was decided by the membership at a meeting held Monday night.

Each year the League gives a contribution to some worthy charity. The Polio Fund and Bergen Pines Hospital have been past recipients.

Following the business meeting, Dr. Charles Schroeder, Head Veterinarian of Lederle Laboratories in Pearl River, N. Y., gave a talk on the use of horses for vaccines used in combatting polio and rabies in both animals and humans. His talk was reported to be one of the most interesting ever given before League members.

More than thirty members and advisors attended the meeting which was held at the home of Catherine and Alice Foster, E. Allendale Avenue.

Catherine Foster is general chairman of the horse show to be held at the Old Ramapo Polo Grounds in Tallman, N. Y. on July 11.

Margaret Hennessy Wed In Double Ring Ceremony

The wedding of Miss Margaret Josephine Hennessy, daughter of Mr. and Mrs. John Hennessy, 96 Myrtle Avenue, and Roland A. Shockley, son of Mr. and Mrs. Victor Shockley of Ramsey, took place at 3 o'clock Saturday afternoon in St. Luke's R. C. Church in Ho-Ho-Kus. The Rev. Father John Cassels conducted the double ring ceremony.

Easter flowers were used for decoration in the church and music was supplied by Mrs. I. Christiana who sang "Ave Maria" and "Panis Angilicus." Mr. John Hennessy escorted his daughter and gave her in marriage.

The bride's gown was white net over a strapless ballerina length gown of chantilly lace with ruffled nylon and satin underskirt. Her veil was finger tip length fastened to a pearl tiara crown and she carried white Easter lillies.

Sister of the bride, Betty Hennessy, was the maid of honor. She wore a strapless aqua ballerina length net gown over satin and carried an old fashioned bouquet. In her hair she wore fresh flowers as did the bridesmaids. Bridesmaids Nora Hennessy, Irma Davis of Myrtle Avenue and Rosie Ryan of Mahwah, wore matching strapless yellow ballerina length gowns over satin. Each carried an old fashioned bouquet.

Flower girl Mary Ann Haight, age 8, of Darlington wore a dress patterned after the bridesmaids gowns and

Good Found Not Guilty In Hackensack Court

Judge Irving Reeve of Criminal Court, Hackensack, has dismissed charges brought against Dean Good, W. Maple Street, to the effect that Mr. Good starved his English bulldog to death.

Issues Proclamation

Mayor John L. Tucker

who this week issued a proclamation to the residents of Allendale to support the cancer drive.

Allendale school children will be happy to know that they will return full of zip for the opening of school on Monday, April 13.

Judge Reeve said there was no evidence presented in the suit brought by Mrs. T. F. Currens, President of the Animal Protective League of Allendale to prove that the dog, Lady, died due to neglect or mistreatment. Mrs. Currens had submitted a veterinarian's clinical autopsy indicating that Lady died of malnutrition and dehydration.

The judge, who said he was a dog lover and interested in proper care of dogs, pointed out that the evidence was insufficient to indicate that the malnutrition and dehydration was directly the fault of Mr. Good and that it might be due to a number of other causes, such as an illness preventing the dog from digesting its food.

"I am unable to find that the dog was not fed or watered," Judge Reeve said in throwing the case out for lack of evidence. "It has been proved that the dog did die of malnutrition but just what caused it is not clear. The case is dismissed."

In talking with reporters later, Mr. Good expressed satisfaction with the Judge's finding.

"I didn't starve that dog," he said. "I'm glad to have my name cleared of that awful charge."

During the court hearing, held Monday, testimony was heard from Mrs. Currens, Mrs. Good, Mr. Good, George Eisenhower, Captain of the Bergen County ASPCA, Dr. Paul Sova, Paterson, a veterinarian, and Police Chief Robert Wilson.

Mr. Good testified that he bought Lady three and a half years ago in West Palm Beach, Florida for \$300. Mr. Good said that while in West Palm Beach, the dog boarded at a kennel and picked up a virus disease which afflicted most of the dogs in the kennel at that time.

This virus, Mr. Good said, caused the dog extreme loss of weight. Virus attacks since then had been periodic. Mr. (Please Turn to Page Seven)

CITIZENS COMM. ENDORSES P. TROAST

The Citizens Committee of Allendale at a regular meeting held Monday evening enthusiastically endorsed the candidacy of Paul L. Troast for Governor of the State of New Jersey.

It is believed the qualifications of Mr. Troast and his ability to get things done are considerably above average, that he is familiar with the necessities of our State and therefore is the outstanding candidate for the office.

They urged their many friends to give him your support at the primary election.

Mrs. Shockley was graduated from St. Luke's High School. Please Turn To Page 8

SECOND GRADE

MRS TWICHELL
We are very busy getting ready for our Easter entertainment. We are going to give a little play, "The Easter Rabbit."

We read a story called "The Egg Tree" and we thought it would be nice if we made one. Now we have a beautiful egg tree in our room.

Sally Ahrens brought us some polly-wog eggs. We bought an aquarium with money we won as an attendance prize from the P.T.A.

SIXTH GRADE

MR. ODO
Our school work is progressing quite rapidly. With the Easter Vacation at hand, we must plan our time even more closely so as to be able to complete the various units and projects that we started.

Last week we had an interesting debate on the subject of making peace with the Communists. Since we had finished our geographical unit on U. S. S.R. this discussion proved to be an excellent follow up.

We also demonstrated twig grafting in our Science class last week. Some pupils are going to try it on trees at home.

HOME ECONOMICS CLASS
Home Economics Girls find the work in Food and Clothing especially interesting and appropriate with the spring season in full swing.

Eighth grade girls have made attractive spring dresses and boleros. Graduation dresses are upper most in their minds and preparation for making some of them is in progress.

Seventh Grade food class is culminating in a spring luncheon to be given in April. The

girls have been preparing dishes for Easter in the immediate past, such as cream puffs, casseroles, cake and egg dishes.

Sixth grade girls will begin a series of food lessons, qualifying them for the cooking badge in Girl Scouts, when they return from spring vacation.

Fifth grade girls have proved that little cooks can be good cooks. They are beginning to feel at home in the laboratory.

Spring foods, spring clothes, spring activities, and the pace for our work in all classes.

On Thursday, April 2, 1953 the two second grades presented a special Easter Program

for the kindergarten through third grades. The program was as follows:

The girls of Mrs. McKechnie's class sang and recited "Easter Time." The following girls took part: Paula Dean, Jacqueline Bowman, Gloria Klaschka, Dorothy Wilson, Barbara Webb, Sarah Comley, Cindy Garrabrant, Pamela Young, Patty Martin and Carole Kowalcyk.

Mrs. Twichell's class read a story in their readers about a bunny who wanted to be an Easter Rabbit. The children dramatized it. The bunnies who want to be Easter Rabbits are: Kathleen Knight, Karen Offringa, Mike Feagley, and Robert Wehner.

Susan Thurston, Some busy bees, Karen Horton, Shirley Pytlak, Eugene Stetler, and

Jack Curzon, Mrs. Robin, Sally Ahrens; Mr. Robin, Tommy Hattrich; The good Fairy Suzanne De Block; Fairy's helpers, Jeanette Corallo, Joan Peterson, Lois Mayferth and Diane Tremittiere. The singers were members of the second grades. The announcer was Carter Short.

The Allendale School closed for the annual spring vacation on Thursday, April 2, 1953. School will resume on Monday, April 13th.

As the final tabulations are being made this week after the close of the 1953 Easter Seal campaign of the Cerebral Palsy Center in Ridgewood last Sunday, drive chairmen are confident that the \$50,000 goal will be reached.

\$40,000, more than the amount raised last year when the drive was extended to the end of April. Campaign directors feel this will not be necessary this year if Bergen County residents answer a last-minute call to send contributions for Easter Seals.

Death On Our Highways

One week of the new responsibility law governing the operation of motor vehicles has passed and while we haven't heard of any decrease in the number of accidents because of it, we are heartily in favor of any law that will make a driver a wee bit more cautious.

This might appear as though we were against the youths of America being behind the nations steering wheels. We are not. Frankly most of them are very careful and safe drivers, ourselves included, but they do take chances and sometimes with disastrous results.

With the coming of nice weather, the highways around our borough are just jammed with cars and last Sunday saw the first real jam up of cars on both Route Seventeen and Route Four. The new Turnpike carried its heaviest traffic load since it opened and all indications point to more and more cars being carried on our highways throughout the nation.

All this might seem pretty gruesome in a family weekly that has tried to be a friendly visitor to your home for the past few years but we must face the fact that these accidents do happen and could happen to anyone including the reader or writer.

HACKENSACK AUX. TO RAISE FUNDS

April has been set aside for the annual fund-raising drive of the Woman's Auxiliary of Hackensack Hospital, according to Mrs. Charles Conklin, finance chairman.

In announcing the drive, Mrs. Conklin stated, "With a 100 bed wing due to be put into operation by the hospital this summer, our \$20,000 goal is the minimum amount we can raise and still carry on the work required to adequately serve the hospital."

Dear Mr. Martin:
Judging from the news space given to Mrs. Currens in her complaint against the Good family and the care of their dog and the statement rendered by Mrs. Good, I gather that you as editor of the Allendale Press, find news interest in an animal story of this nature.

As citizens of Allendale, pet owners, and neighbors of the Goods we would like to see in print a full description of the duties of the animal warden of Allendale, including her rights and privileges as such. If she has the right to enter homes uninvited pick up any and all dogs & cats about town, impose fines, give out free information, unrequested, on the care of pets who already have homes, etc, etc., we wish to have it a recognized authority and printed as such.

Dr. Godfrey Pittis was among the 400 marchers of the Knight Templars when the group attended the Easter Sunrise Services on Easter Sunday at the Amphitheater of the Arlington Cemetery in Washington, D. C. It was hoped that the newly erected siren and tower would enable all residents of the borough to hear the fire siren but such is not the case. Just what is to be done is still unknown at this time.
