## School Board Plan To Use \$5,000 Surplus

The Board of Education will appropriate \$5000 from the surplus toward the purchase of the proposed school site on Franklin Turnpike. This action was decided at the Board meeting Tuesday night. Attorney Albert Scafuro has been advised of the action and will so word the referendum to be offered voters in October.

A special meeting will be called in August for the Board to approve the wording of the referendum. If the measure should receive approval from the voters in October, the land will be held until the time when additional school facilities are needed.

The \$5,000 appropriated will be applied to the total cost of the 9-acre tract now being held by the Board with a \$100 8-month option. Dr. Godfrey Pittis is the owner of the land situated off Franklin Turnpike south of Ivers Place. The price has been set at \$26,750 plus legal fees. The cost of the bond issue to be raised for the land, less \$5000, will be about \$24,000.

Members of the Board said they wished to apply as large a sum as possible toward the land to demonstrate to the people how important they felt it was for the referendum to pass. Had the current account surplus fund been larger, the Board would have appropriated more. But the surplus now stands at about \$13,000 and there is a real possibility that two additional teachers may have to be hired this fall. If this should be necessary, the \$8000 left in the fund would be needed for the additional salaries.

The Board meeting, the last of the year until September, was spent cleaning up odds and ends of purchasing. Plans for work to be done in or about the school during the summer were made.

New kitchen equipment was ordered which will be installed before school opens in September. Cafeteria service is slated to improve with the addition of an oversized refrigerator, an electric steam table, serving table, pot racks, cutting board, additional sink and drainboard, 2 dish trucks and a 10-quart electric mixer.

During the summer the roof will be repaired, the library will be moved to the new wing and the old library partitioned to provide an office for Principal Paul O'Connor, the playground east of the school will be extended to provide more play space with a fence bordering the brook, an aluminum shed will be put up to house the school tractor and other pieces of outdoor equipment, and a number of needed repairs will be made.

It was decided that teachers Mrs. Rosalie Garrabrant and Louis Murgia will be compensated for the extra time they put in coaching teams and supervising after school sports next year.

## BIG HORSE SHOW TO BENEFIT FUND

Allendale riders make up some of the ranking entrants in the third annual North Jersey Horse and Pony League horse show to be held tomorrow at Ramapo Polo Grounds, Cherry Lane, Tallman, N. Y. The show a benefit for the National Heart Fund, will also be closely observed in horse show circles for indications of young "comers" in equestrian competition.

The 1953 show, slated to be the largest and most important in Horse and Pony League history, will be watched specifically as a tipoff to the skills of several young riders aiming their efforts at the American Horse Show Association's national horse show in Madison Square garden in the fall.

Catherine Foster, 15-year-old equestrienne veteran, and holder of the Walter trophy and other awards from the 1952 show, has been selected to act as show manager at the 1953 meet. Others from Allendale who have national possibilities are Carol Thurston and Barbara Walters. All three have appeared in the Garden show before.

The day will open promptly at 9 a.m. with the start of 31 events. All entries are under 21 and the youngest competitor is three. She is Helen Clark, daughter of Dr. Margaret A. Clark of Woodcliff Lake, who is entered in the Lead Rein Class.

The show has drawn entries from as far away as Pennsylvania and Conn. Feature entries this year are, among others, Indian Checo, registered Shetland pony, to be driven by Judy Novitsky of Odwigsburg, Pa.; Little Britain, prize pony of the Hutchison stables, Closter, to be ridden by veteran Patty Hennessy of Dunellen, and Roberta Smith of Upper Montclair, riding My Oh My in three-gait classes and her grey gelding, Traveler, in hunting seat classes.

## 4th Celebration Biggest Party Observers Staged

The Holiday Observers' Fourth of July fireworks, said by many to be the flashiest, noisiest and most colorful in recollection, was a resoundingly successful climax to a full day of celebration activities held in Recreation Park.

### OBSERVERS LIST WINNERS OF 4TH ATHLETIC EVENTS

More than 200 boys and girls competed against one another last Saturday for the coveted trophy awards given to high point winners by Mayor John Tucker in behalf of the Holiday Observers.

Top honors went to Phyllis Ahrens who won the Holiday Observers trophy for the most points scored during the morning athletic events for girls.

The M. E. Higgins trophy went to Ray Murray who came out on top in boys events with the high point score of 20.

Each event was scored accordingly: First place won 5 points, 2nd place 3 points and 3rd place 1 point. Each first place winner won a gold medal, each second place winner won a silver medal and the third place winners won bronze medals.

Jill Marples won a consolation prize because she was the only contestant in the 15-16-17 year-old girls events.

Other winners are as follows:

**BOYS**  
6-7-8 yr. Group  
90 yard dash, 1. Terry Murray; 2. R. Wehner; 3. B. Turnure.

Sommersault Race, 1. R. Wehner, 2. Terry Murray, 3. T. Kershaw.

Sack Race, 1. W. Osborne, 2. Terry Murray, 3. B. Murphy.

Waterfall Race, 1. R. Curtin, 2. D. Hines, 3. G. Wickham.

9-10-11 yr. Group  
50 yard dash, 1. S. Murray, 2. G. Critchely, 3. D. Yennie.

Sommersault Race, 1. S. Murray; 2. K. Anderson; 3. B. Rumsey, R. Cross.

(Please Turn to Page Five)

The 38-minute galaxy of brilliant lights and ear-splitting explosions was greeted with the deep traditional oohs and aahs of the capacity crowd, the delighted squeals of children and spontaneous applause from all for the truly remarkable selection of skyrockets. Police Chief Robert Wilson, who with his force had his hands full controlling traffic pouring into the park, said the crowd was largest ever handled in the borough.

Although the show start was delayed beyond the patience of the younger set, it is to the credit of the Observers that they paced the show briskly. Spectators could hardly watch the finish of an aerial display before the official lighters in the arena had touched off startling new pinwheel or panel displays.

The show which cost \$1000 started with a beautiful big skyrocket which sprayed colored lights to feature a parachute carrying a brilliant white torch over an American flag. It moved swiftly through a panel display of Old Glory, and fountains and pinwheels of every shape and variety, most of which ended in glittering showers of sparkling light.

There was a lighted eagle over the United States shield, Niagara Falls and a climatic mock battle, showing two battleships whose cannons fired Roman candle balls of red and green light under an umbrella of tracer trails and fountains of fire accompanied by the most deafening racket of bursting bombs.

It was the display of skyrockets, increasing in tempo and noise, as the show progressed that really brought applause from the crowd. Though none of the later ones showed the brilliance of the first parachute rocket each one did present a new surprise or a louder noise.

An informal sampling of opinion among the small fry lounging on the ball diamond reveals that the most satisfying and startling was a rocket which burst into red, white and blue showers and seemed to leave off having a new mid-air explosion when it seemed it should have been all finished.

Spoksmen for the Holiday Observers were as pleased as the audience with the star-spangled display because they put particular emphasis on the evening show this year. Not only was the fireworks display better than ever before, but the band concert which preceded it was greatly enjoyed by all. The Lyndhurst American Legion band gave an excellent program of martial music and demonstrated their precision and showmanship.

## LOCAL MAN IN CAR-TRUCK CRASH

Robert Previdi of 38 Beatrice St. was driving his Pied Piper Ice cream truck along Maple Ave. in Ridgewood at 6:15 Monday evening when a car pulled out from the curb without giving a signal.

Mr. Previdi's truck crashed into the other car which was driven by Jacob Isachny of Hasbrouck Heights. The police served Mr. Isachny with a careless driving charge.

Damage done to the ice cream truck amounted to \$100. Mr. Previdi was not injured. It was reported that Mr. Isachny who was riding with her husband suffered a shoulder injury.

## PAT JOB HEARING IN NEWARK COURT

In the case of Pat Job vs the Borough of Allendale, Attorney Albert Scafuro, counsel for Councilman Frank McCord and Helen Hansen, has introduced a motion to the superior court in Newark to dismiss the complaint on the basis that Mr. Job has failed to state a cause of action.

The hearings will be held July 21. At that time Attorney Scafuro and Attorney Ralph Chandless of Hackensack, counsel for Mr. Job will debate the motion. If the court should agree with Mr. Scafuro, the case will be dropped. If not, then the case will be placed on the docket for hearing sometime this fall in the Superior in Hackensack.

## Aunt Fanny Celebrated 100th Birthday

"Aunt Fanny" Ryer, Waldwick's Senior Citizen, had reason to celebrate this year's Fourth of July in special style. It happened also to be her 100th birthday.

Although Mrs. Ryer has always lived in this two-town community she is paradoxically neither a native of Waldwick (because it was then called New Prospect) nor of Allendale, which she missed claiming as her birthplace by only a few feet.

### W. CRESCENT CURBS TO BE FINISHED SOON

Work has started on the W. Crescent Ave. curbing project. Pat Job, contractor, estimates that if no unusual delays are experienced, the 6000 feet of curbs to complete the project should be finished in approximately 45 days.

The concrete was poured Wednesday for curbs on the south side of W. Crescent Ave. from the underpass to the corner of W. Allendale Avenue.

few feet. The precise point where she began her century-plus life was in the New Prospect end of the long since demolished Kipp house, which exactly straddled the town line on the Franklin Turnpike opposite the present tavern.

Some years ago "Aunt Fanny" lived with her family on East Orchard Street, Allendale, in a house which stood on the site of Councilman McCord's present home. Today she resides with Miss Maude Young at the end of Walter Hammond Place in Waldwick. Saturday afternoon their lawn was made gay by a garden party attended by so many relatives and friends that Miss Young admits she lost track of the number.

A deeply religious woman, Mrs. Ryer regularly attends services at the Waldwick Methodist Church, where she is a faithful member of the famous "Class in the Corner". She also

is noted as the only surviving member of the original Epiphany Church School in Allendale.

Just now Mrs. Ryer does use a cane for walking, simply because of an injury to her foot some months ago while she was chopping wood. As this reporter was leaving, however, "Aunt Fanny" spied a friend in a car down the street and took off for that car at a pace the reporter had plenty of trouble matching.

### FULL GROWN COLLIE LOOKING FOR HOME

A full grown collie is available to anyone who wants to give a good dog a home. Mrs. F. Currens of the Animal Protective League reports that the dog was let out of a car and abandoned in North Bergen. The dog is reported to be gentle, perfectly behaved and house broken. Anyone wishing details on the dog may call Mrs. Currens at Cragmere 8-3338.

4 YEAR OLD BOY HAS BROKEN LEG

Edward Skinner, four-and-a-half year-old youngster, ran out of a field onto E. Saddle River Road in Upper Saddle River and was struck down by the rear of a passing automobile. He suffered a broken leg.

ALLENDALE A'S TOP MONSEY TEAM

As part of the annual Independence Day program at Recreation Park, the Allendale A's won their second game in Bergen-Rockland League play when they defeated the Monsey (N. Y.) Dodgers by a 10 to 4 score.

FIRST AID CLASS NOW UNDERWAY

F. Archibald Farrell conducted advanced Red Cross First Aid group in their second lesson in artificial respiration at Crestwood Lake Tuesday night.

BORO RESIDENTS FINED IN WALDWICK

Waldwick Magistrate's Court was visited by a number of Allendale residents summoned to court on a variety of charges.

Subscription Price \$2 Per Year

Drunken Driving Must Be Stopped Motor Vehicle Director William J. Dearne expects to put into effect right after Labor Day two new requirements for the operation of cars in our State that might bring down the fearful total of deaths caused on our highways every day by persons totally unfit to drive the cars put out today by the makers.

These requirements would have all applicants for a learners permit undergo a physical and mental test to test their alertness and ability to act in the split seconds between an accident and safety. Whether such a requirement would be for the present holders of licenses has not been decided upon as yet by the Commissioner.

We are happy that such requirements are going into effect and hope that this, combined with the present responsibility laws and point systems put into effect by the director, will bring down the total deaths on our highways substantially. Of course this law or any other law will not remove the curse of our highways, the drunken driver.

We had a tragedy this past weekend in our own family when a cousin, not sixteen was killed in Perth Amboy on her bicycle by a drunken driver. Here was a life, sweet and wholesome, in the birth of womanhood, crushed and broken by a person, totally unfit to operate a car. The driver, a friend of the family of the young girl is suffering the remorse that only the realization of having caused a death by his own hands can give. But all the suffering or financial responsibility can't bring back the girl laid to rest last Tuesday. This driver and all drunken drivers are murderers and must be kept off our roads and highways.

We are indeed fortunate that the commissioner does not require any special legislation to put into effect laws that he feels will reduce the ever mounting death toll on our highways. This man is eminently qualified to know, having been in the division since 1908 and risen to the head of the bureau in 1951. The thoughtful driver should applaud every effort to keep the unfit driver, either drunken or mentally unsound, off our streets.

To those drivers who feel that the one drink for the road is what they need to make them better drivers, we wish they could have acted as pallbearers for the little girl last Tuesday instead of the six classmates who were all stunned and shocked by the loss of their little friend. Possibly that would have awakened them to what could happen to those they love.

Notice of Hearing Notice is hereby given that the Department of Public Utilities—Board of Public Utility Commissioners—has set 11 A.M., July 20, 1953, for a public hearing on increases in intra-state telephone rates filed by the New Jersey Bell Telephone Company. Hearings will be held in the offices of the Board, State House, Trenton, N. J. The schedules of increased telephone rates requested are on file in all of the New Jersey Bell Telephone Company business offices and at the offices of the Public Utility Commission in Trenton and Newark. The proposed rates are available for public inspection between 9 A.M. and 5 P.M., Monday through Friday. New Jersey Bell Telephone Company

LUNCH, DINNER OR A PARTY OUT OF CHEF'S CAN

HERE'S A CHEF'S SPECIAL concoction that will be sure to add distinction to an inexpensive meal. It is made with Chef Boy-ar-dee ravioli, which costs only about fifteen cents a serving, and comes from a can all ready to heat and serve, or to convert into a special dish like this ravioli baked with cheese. To prepare this really delicious dish, spread the ravioli on a heat-proof platter, sprinkle it with grated cheese, and brown lightly in the oven. The tender little macaroni pies that we call ravioli, filled with hearty beef, canned in rich meat-tomato sauce, have the distinctive Chef Boy-ar-dee flavor. They are wonderful for lunch, dinner or a party. All you have to do is open as many cans as are needed, heat the contents and serve. RAVIOLI LUNCH Ravioli Bread Sticks Celery Mixed Fruit Salad Favorite Beverage RAVIOLI DINNER Ravioli Tossed Salad Fresh Asparagus Crusty Rolls Cookies Stewed Rhubarb Favorite Beverage RAVIOLI PARTY Ravioli (baked with cheese) Green Salad Cream Cheese Balls Scallops, Radishes Ice Cream with Strawberries Coffee

BARBARA BUHLMAN AWARDED SCH'SHIPS Barbara Buhlman, daughter of Mr. and Mrs. William Buhlman, plans to attend Farleigh Dickinson College in Rutherford next fall. She has won a scholarship for \$1200 for four years study at the college. Barbara was one of the top award winners in her graduation class at Ramsey High this spring. She won the science award medal given by Bausch & Lomb for achieving highest scholastic record in science subjects during her high school course. The American History second prize award presented by the First National Bank and Trust Company of Ramsey was another of Barbara's honors. She has accepted the Farleigh Dickinson scholarship however, and plans to use the honor to continue her science study. Richard J. McGowan, 26 High Street, was fined \$10 plus \$3 court costs for careless driving at Ramsey Magistrate's Court last week.

LEARN TO SWIM PROGRAM TO START AT LOCAL POOL

Swimming lessons will be given by Lifeguard Joseph Tremittiere at the Allendale pool starting July 13. Mr. Tremittiere plans two classes of 10 students each to last for two weeks. Enrollment is being filled at the present time. The cost of the lessons will be 50 cents, or \$5 for the two week period. Following the instruction period, Mr. Tremittiere said he will work during a third week on correcting any special swimming problems of the class. One class will be held from 10 to 11 a.m. and the other from 11 a.m. to 12 noon.

MISS MARINELLI ENGAGED TO DONALD LIGHTWEIS The engagement of Patricia Marinelli, to Donald W. Lightweis, son of Mrs. William Lightweis, 35 Oak Street, was announced following Patricia's graduation from Ramsey High School recently. Miss Marinelli is the daughter of Mr. and Mrs. Harry Marinelli, 42 Prospect Street, Waldwick. Mr. Lightweis, also a graduate of Ramsey High School, is now employed by a construction company in Preakness. In August he will enter the armed services.

Do you frame your prescription?

When you have a Prescription filled do you take a few pills or a few spoonfuls and then put it on the shelf and forget about it? If you do, you are jeopardizing your health. Follow your Doctor's instructions to the letter - take all of the Prescription. Then go back to your doctor. He'll tell you whether or not to have the Prescription re-filled. There are too many half-filled bottles in medicine chests, mute testimony that YOU PAID for your doctor's advice and didn't follow it. You might as well frame your doctor's Prescription as to take only a part of it. The most important business we have is filling your Doctor's Prescription. Your most important job is taking it.

**9 FINED IN LOCAL COURT**

Nine persons were issued parking fines of \$3 at Magistrate's Court Tuesday evening for violating regulations in the downtown business area.

Seven persons were fined for other automobile violations that have occurred within the borough in the past two weeks.

Francis N. Fry, a Korean War veteran from Garnerville, N. Y., home after 18 months active duty, had a careless driving charge dismissed. Magistrate Morris N. Scharf suspended sentence in view of the recent war record of the young veteran but warned Mr. Fry against future traffic violations. He was charged with cutting in and out of traffic and following too closely the car ahead. He paid \$3 court costs.

A. William VanderVoort of Clifton was fined \$12 and \$3 for driving 50 miles an hour on W. Crescent Avenue. William Weston of Fair Lawn was fined \$5 and \$3 for failure to stop at the Crescent Ave. stop on Franklin Turnpike and going through the stop at a high rate of speed.

William J. Fell of Jersey City and Charles Cusic of Bayonne were fined \$5 and \$3 for failure to stop at the Myrtle Ave. stop sign.

Hyman Smith of Brooklyn, N.Y., was fined \$12 and \$3 for going 50 miles an hour on Franklin Turnpike. John A. Rhode of Hoboken was fined \$10 and \$3 for passing at the red light on Franklin Tpke.

Officer Frank Parenti has been called to testify at Juvenile Court in Hackensack this morning regarding the case of a juvenile arrested at Crestwood lake on an assault with a deadly weapon charge.

**POLICE CHIEF ASKS RESIDENTS WATCH STRANGERS HERE**

Police Chief Robert Wilson has issued a warning to all residents to be on the lookout for strangers loitering in the area and to report their presence to the police immediately.

This is necessary if the police are to cope with the rash of house breaking which is plaguing the area. The residence of Mr. and Mrs. James Muth, located just over the Allendale-Ramsey line in Ramsey on Franklin Tpke., was broken into this week and \$350 was stolen. Mrs. Muth was gone from her home only an hour and a half when the burglary occurred.

**SCHOOL TIME TO START EARLIER FOR 3 GRADES**

Students of the 6th, 7th and 8th grades of Allendale Public School will start their school day 15 minutes early next fall. For them, the day will begin at 8:45. Also, the lunch hour will be cut 45 minutes. This will increase the school day by 1 half hour or 2 1-2 hours a week.

Principal Paul O'Connor recommended this change to the Board of Education at Tuesday's meeting and it was approved. The move was made to accommodate the new Industrial Arts Program (manual training and home economics) without cutting into the academic work of the pupils.

The new lunch hour schedule will begin at 12:15 and end at 1 o'clock. The commendation stated that the shorter lunch period would still be adequate and was in line with other school schedules.

**JOB OFFERS LAND TO STRAIGHTEN ST.**

Pat Job, who has been negotiating for the purchase of the property on the north-east corner of Myrtle Avenue and Pittis Road, has conditionally offered a strip of land to the borough which would allow the straightening of Pittis Road at that corner, it was learned this week.

Mr. Job made his offer to the Planning Board, which has taken the offer under consideration.

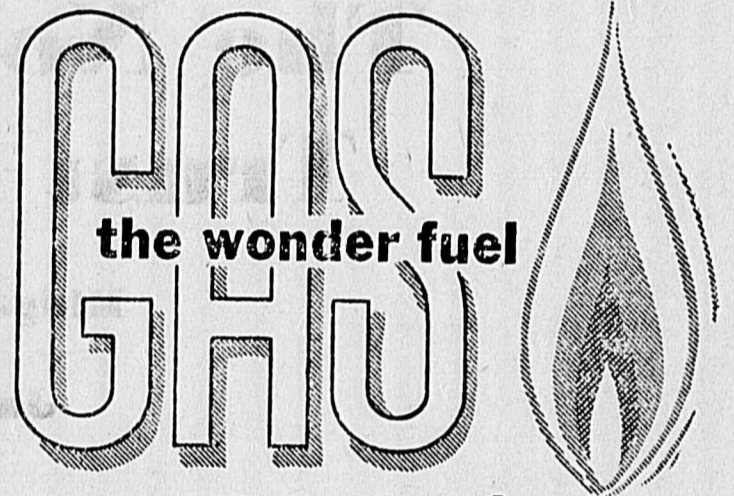

At present, because Dr. Godfrey Pittis was unable to persuade the owner of the strip to donate the land, Pittis Road takes an unusual S-curve as it enters Myrtle Avenue.

Straightening the road would not only make the corner more attractive but would also make for a safer traffic situation, it is felt by the engineers.

A hearing on the case of Fred Burris who has been arrested twice on a drunk and disorderly charge will be held in two weeks. Police Chief Robert Wilson was called to Hackensack court to testify on Wednesday regarding the case because Mr. Burris had failed to report to the officials while out on bail.
